

Second Grade Recommended Supply List

All second grade students at Donley will use the following school supplies.

Please note this list of supplies is recommended, but not required to be purchased. Students will be provided the materials needed for the curriculum. These materials are donations for all students in the classroom. To promote a sharing community all supplies will be gathered the first week of school and dispersed appropriately throughout the school year. If you purchased any special materials for your child that you would like them to have for personal use, please keep them at home! Thank you.
