Principal's Letter

September 2019

Greetings, East Lansing High School Parents!

We're off to a great start! Special thanks to our students, staff, parents and community partners for supporting our educational programs -- your efforts are much appreciated. We are looking forward to another terrific school year. It is truly an honor to be a part of this educational community comprised of compassionate, highly respected and dedicated educators who work hard every day to engage students in comprehensive experiences and inspire students to reach their optimal learning potential.

Welcome to the East High School Family! The following staff members were recently hired, and we look forward to their contribution to our wonderful school.

- ☆ Klaudia Burton - Physical Science Teacher
- ☆ Heather Findley - School Social Worker and District-wide Mental Health Coordinator
- ☆ Adam Orange - German Teacher
- ☆ Stephanie Edge - Resource Room Teacher
- ☆ Sheryl Scott - Guidance Counselor
- ☆ Janet Wyant - Counseling Office Secretary
- ☆ Jerry Jones - Student Advocate
- ☆ Nykita Thorpe - DK Security

Recently, our students attended grade specific assemblies and collected valuable information to help them navigate their educational experiences this year and beyond. We shared general building wide expectations including hallway, lunchroom, building cleanliness, respect for fellow classmates and cell phone usage.

We know high student engagement is an important factor to student academic achievement. Recently, our staff discussed cell phone usage and the impact on our students' ability to stay engaged during instructional blocks while refraining from using their cell phones inappropriately. **Consequently**, students will not be permitted to use their cell phones during instruction unless the teacher deems it necessary. Cell phones should be put away or placed in an appropriate cell phone holder provided by some teachers until the end of the class period.

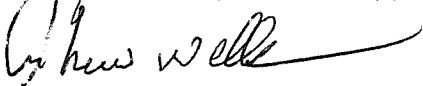

We understand cell phones can be beneficial in a classroom if used as a technology tool for the benefit of learning. Each teacher will determine when it is appropriate to use cell phones in their class. We ask you communicate with your students about the appropriate use of cell phones in the school setting to help support our goal to eliminate inappropriate use. Thank you!

Congratulations to the ELHS National Merit Semifinalists Anna Comstock and Madeline Kleinerman. Their hard work, determination and academic aptitude has earned them national recognition and the opportunity to be considered for a merit scholarship in their higher educational pursuits. Job well done!

We continue our efforts to make East Lansing High School a place where students learn and grow in a nurturing environment, teachers are passionate about teaching, diversity is rich, and families are embraced. We cherish our relationships with our diverse student body and focus our energy on making sure all our students gain knowledge and skills to be successful beyond their high school experience. We believe in nurturing each student, educating all students and building world citizens.

Collaboration with parents and community stakeholders continues to be a significant component to our ELHS family. Our thoughtful reflection on the world around us will continue to strengthen our ELHS family and serve as a guide to continue our collaborative experiences.

Thanks for all that you do to support our educational journey!

Student Services ~ September 2019

Schedule Changes - Schedule changes for the fall semester are now done.

Counseling Appointments - Students and parents wishing to make an appointment with the counselors should either stop by or call Student Services (517-333-7505) to arrange a time and date that works.

College Connection- On Tuesday, September 3rd a Senior Parent night was held by the student services staff in the Student Union. If you missed it, the presentation can be found on the student services website. On Thursday, August 29th the counselors also met with the Class of 2020 in the Student Union. The college application process, financial aid, testing, and graduation requirements were discussed.

College Visits - We have many college representatives that are anxious to meet East Lansing students. All of the dates that the colleges are scheduled to make a visit to EL are listed on the college information tab at the student services webpage.

Direct to College Applications (ex. CMU, LCC) – Students need to visit college websites and start filling out their application online. Once a student is ready for ELHS to send his/her transcript, he/she must request the transcript sent through parchment (online transcript service).

Common Application – Students may need to visit www.commonapp.org to start their college applications. Common app has a listing of all of the participating colleges on the main page of their website. A piece of the required common app will require that the student list his/her counselor. Once filled out, this generates an e-mail to his/her counselor that gives the counselor access to the application to fill out the recommendation and transcript. Once a student is ready for his/her counselor to fill out the recommendation page and send his/her transcript to common app, students should submit a resume to his/her counselor. Once received, the student's counselor will be able to complete their portion of the common app.

Letters of Recommendation – When a student asks for a letter of recommendation to be written on his/her behalf, it is always wise for the student to have a resume or activities page handy to give to the recommender. This allows the person writing the letter to incorporate the student's other activities into the letter of recommendation.

Scholarships – A great resource for available scholarships is the scholarship area at the East Lansing High School Student Services page. Every opportunity the Student Services office receives is placed in this area for students to view. It is worth checking out!

FAFSA – The FAFSA (Free Application for Federal Student Aid) for the Class of 2020 will open on October 1st, 2019. Student Services will be hosting financial aid workshops to help families understand the FAFSA and financial aid after the New Year. Stay tuned!

East Lansing High School will administer the Michigan Math Prize Competition (MMPC) Part I on Tuesday, October 8, 2019

The Michigan Mathematics Prize Competition (MMPC) is sponsored by the Michigan Section of the Mathematical Association of America (MAA) to encourage students to develop their interests and abilities in mathematics.

The students with the top 100 scores in the two parts of the competition are honored at an awards program. Approximately \$20,000 in scholarships ranging from at least \$250 to \$2,500 will be awarded this year.

Part I of the MMPC is open to all students in Michigan high schools. This exam consists of 40 multiple-choice questions involving topics from high school mathematics.

From over 6,000 participants in Part I, the top 1,000 students are invited to take Part II of the MMPC. On Part II of the exam, students work on five challenging problems and write their solutions providing full justification and proof of their claims.

SPIRIT WEEK 2019 ♦ If you still have questions about Spirit Week activities after reviewing this information, please contact Ms. Berridge in 508 (#7566).

REMINDERS: ♦ The first row of the bleachers in the gym will be reserved for staff only. **Staff must attend the pep assemblies.** Your presence is appreciated and really does make a difference!! ♦ Remind students that the tickets they earn all week enter them into Friday’s drawing for cool prizes. **Feel free to award raffle tickets to students who do wonderful things in your classes! Think of creative ways for students to win them!**

THIS YEAR’S CHARITY ♦ It has become a very meaningful Homecoming tradition to give back to our community by donating \$500 per class (generated by dance ticket sales throughout the year) to a local charity. This year, we will donate \$1,000 to Dan Hoffman Memorial Fund, \$500 to the EL Family Fund, and \$500 to a local charity voted on by the student body (voting will take place when student vote to select Homecoming Court).

THE WEEK BEFORE ♦ Please remind students to sign up for events such as the Class Cup Relays and Singing Bee. The sign-up sheets are on the HUB windows.

The background of the poster is a collage of various images related to sneakers. It includes close-ups of different sneaker models, such as a blue and white one in the top left, a black and white one in the top right, and a grey one with red accents in the bottom right. There are also abstract patterns and textures, like a circular pattern on the left and a textured surface at the bottom.

Heather Findley, LMSW

Hello! I am Heather Findley, a licensed social worker, an East Lansing Alumni, and I am thrilled to join the East Lansing family this year! I am excited to get to know and support the students as they continue their academic, social, and emotional journey. For the last ten years I worked in hospital emergency rooms, working with people of all ages experiencing mental health crises and facilitating the access and use needed services.

I am located in the student services office, and work in conjunction with the counselors and administration, particularly Mr. Morales. I offer crisis support for students who may experience difficulty with, but not limited to, anxiety, depression, suicide, and self-harm. Our students face many pressures on a daily basis, the stress can feel overwhelming, and at times they may see no way out of their distress. I work to coordinate care and resources for them, and provide frequent connections and check in to assess and address risk, coping skills, and supports. I provide care on both a walk-in and appointment basis. I look forward to supporting our students by going to various sporting events and club meetings. Our students are kind, compassionate, talented, and have much to offer. I look forward to the school year.

Please do not hesitate to contact me.
