News From Glencairn School

October 31, 2014

Dear Glencairn Families,

What a fun-filled Halloween week we have had! A big thank you goes out to all of our families who have supported our teachers and students this month with enrichment activities, pumpkin carving, music in the lunchroom, classroom Halloween parties and more! It's hard to believe that we are already beginning our 9th full week of school together!

Time Change: Just a reminder that this week is the end of Daylight Savings Time. Don't forget to set your clocks back one hour before you go to bed Saturday night!

Glencairn's Student Leadership Team:

Beginning in November, we will be forming a "Student Leadership Team" at Glencairn School. Students in fourth or fifth grade may apply to serve as one of six full-year officers, or one of 14 rotating grade-level representatives. Once formed, the Glencairn Leadership Team will meet regularly with the principal to discuss and solve problems, provide service to our community, participate in fundraisers, enhance the culture of our school, and make Glencairn Elementary the best it can be!

In lieu of a student election for officer and student representative positions, all interested fourth and fifth graders are asked to turn in an application (with a parent/guardian signature), write an essay explaining why they want to be on the Glencairn Student Leadership Team, and also participate in a kid-friendly interview with teachers and Mrs. Ware.

Information and applications for the Student Leadership Team were sent home with interested fourth and fifth graders today. Additional applications are available in the school office. If you have questions regarding the Student Leadership Team, please don't hesitate to contact me.

Lunchroom Support:

An elementary school lunchroom is a very busy place! The lunchtime assistance that our parent volunteers have provided these first two months of the school year has been incredibly helpful and very much appreciated. The children really enjoy having parents/guardians helping out and spending time with them during the lunch period. In fact, the lunchroom parent volunteer program has been so helpful and well-received, we would like to continue it throughout the school year! We are asking parents to please consider volunteering at least one day during the year to help us out with our lunch program at Glencairn School. To sign up to help in the lunchroom, please cut and paste the link below in your browser!

Thank you for sharing your children with us and have a wonderful Halloween weekend!

Kind Regards,

Lorraine Ware
