East Lansing Public School District Annual Education Report (AER)

April 20, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the East Lansing Public School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Office of Educational Services for help if you need assistance.

The East Lansing Public School District Annual Education Report (AER) is available for you to review electronically by visiting the following web site www.elps.us or you may review a copy in the main office at your child's school or at the district Administration Building (501 Burcham Drive, East Lansing, MI 48823). Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).

- Presents achievement data for all four tested subjects (English language arts, mathematics, science, and social studies) compared to targets for all students as well as subgroups of students
- Helps parents understand achievement progress within schools and compare these to district and state achievement

Accountability Scorecard – Detail Data and Status

Due to the transition from MEAP tests to the M-STEP test, the accountability portion of the AER is limited to assessment participation and graduation/attendance rates. Full accountability reporting will resume with the 2015-16 AER.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

We would also like to report on some additional information that may be of interest to parent and community members.

Mission Statement

Nurturing each student
Educating all students
Building world citizens

Vision Statement

East Lansing Public Schools provide an exemplary education for all students through a cohesive, comprehensive curriculum in an inclusive, supportive environment.

Status of the 3-5 Year School Improvement Plan

East Lansing Public schools has developed and submitted for approval a district school improvement plan through the AdvancEd portal. The plan embodies the district's strategic plan consisting of twelve strategic goals and objectives. It identifies core academic goals in English Language Arts/Reading & Writing, Math, Science and Social Studies based on nationally normed achievement test results. Each of these goals identifies specific objectives, strategies and activities delineated to address the achievement gap within core content areas. Each school building submits a school improvement plan that articulates school improvement goals congruent with district data, measurable goals and objectives, professional development priorities and fiscal support through state and federal grants and LEA funding.

Core Curriculum Access

East Lansing Public Schools' core curriculum may be accessed on the State website as follows:

K-8: http://mi.gov/mde/0,4615,7-140-28753_64839_38684---,00.html

9-12: <http://www.michigan.gov/mde/0,1607,7-140-38924---,00.html>

Additional hard copy publications are available from the office of the Director of Curriculum, Instruction and Assessment and at the building level. There are no variances from the State's model.

Description of Implementation

The implementation of the core curriculum is sustained through a curriculum structure that employs grade level and department chairpersons who meeting monthly. The curriculum council reviews state requirements for core curriculum, plans curriculum development, coherence and articulation, provides for the identification of necessary professional development and budget related requirements to support the implementation of the curriculum. The council members meet with grade level and or department level colleagues and with administration to implement and monitor the effectiveness of curriculum development, implementation and impact on student performance.

Process for Assigning Pupils to the School District

K-5 students are assigned to schools based on where they reside in our district. Each K-5 schools have specific boundaries within our district. Parents are allowed the opportunity to complete a permeable boundary request that would allow their child to attend a school within the school district other than their neighborhood school. Requests require the approval of the sending and receiving school Principals as well as the Superintendent and is based on space availability at the school/grade.

East Lansing Public Schools also participates in the state's Schools of Choice process annually. Available openings are advertised, applications are accepted during a specific application period and students are accepted on a lottery system to fill the advertised slots.

Core Beliefs

We Believe:

- Students' needs and interests are core to all decisions and actions.
- We must inspire a passion for lifelong learning.
- High expectations in teaching and learning result in personal and academic excellence.
- Diversity is affirmed by integrating the uniqueness of every child in to our learning community.
- In providing equitable access to opportunities and resources for students.
- In engaging the entire community to create trusting, safe, welcoming learning environment.
- In building world citizens.

If interested, a copy of the report is available through my office at 501 Burcham Drive, East Lansing, MI. Our telephone number is 517-333-7424.

I encourage all that are interested in our very fine school district to track our progress and stay active in the public discussion. I am certain our very interested, insightful and caring community will continue to be a catalyst for ongoing improvement.

Sincerely,

Robyne Thompson

Robyne Thompson, Ph.D.
