May 8, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the East Lansing Public School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Office of Curriculum, Instruction and Assessment for help if you need assistance.

The East Lansing Public School District Annual Education Report (AER) is available for you to review electronically by visiting the following MI School Data web site: <https://goo.gl/Jq7WY2> or by visiting the East Lansing Public School District website at www.elps.us. You may also review a copy in the main office at your child's school or at the district's Administration Building (501 Burcham Drive, East Lansing, MI 48823). Each school will also be communicating it's AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability Scorecard – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

Teacher Qualification Data

- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

Review the table below listing our schools. For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

Status of the 3-5 Year School Improvement Plan

East Lansing Public schools has developed and submitted for approval a district school improvement plan through the AdvancEd portal. The plan embodies the district's strategic plan consisting of twelve strategic goals and objectives. It identifies core academic goals in English Language Arts/Reading & Writing, Math,

NURTURING EACH CHILD • EDUCATING ALL STUDENTS • BUILDING WORLD CITIZENS

Science and Social Studies based on nationally normed achievement test results. Each of these goals identifies specific objectives, strategies and activities delineated to address the achievement gap within core content areas. Each school building submits a school improvement plan that articulates school improvement goals congruent with district data, measurable goals and objectives, professional development priorities and fiscal support through state and federal grants and LEA funding.

K-8: http://mi.gov/mde/0,4615,7-140-28753_64839_38684---,00.html

9-12: <http://www.michigan.gov/mde/0,1607,7-140-38924---,00.html>

Additional hard copy publications are available from the office of the Director of Curriculum, Instruction and Assessment and at the building level. There are no variances from the state's model.

Description of Implementation

The implementation of the core curriculum is sustained through a curriculum structure that employs grade level and department chairpersons who meet monthly. The curriculum council reviews state requirements for core curriculum, plans curriculum development, coherence and articulation, provides for the identification of necessary professional development and budget-related requirements to support the implementation of the curriculum. The council members meet with grade level and or department level colleagues and with administration to implement and monitor the effectiveness of curriculum development, implementation and impact on student performance.

Process for Assigning Pupils to the School District

K-5 students are assigned to schools based on where they reside in our district. Each K-5 school has specific boundaries within our district. Parents are allowed the opportunity to complete a permeable boundary request that would allow their child to attend a school within the school district other than their neighborhood school. Requests require the approval of the sending and receiving school Principals as well as the Superintendent and are based on space availability at the school/grade.

East Lansing Public Schools also participates in the state's Schools of Choice process annually. Available openings are advertised. Applications are accepted during a specific application period, and students are accepted on a lottery system to fill the advertised slots.
