General Summary

Under the direct supervision of the Director of Special Education, and in accordance with the established policies and procedures of the East Lansing Public School District, the Secondary Extended School Year (ESY) Summer School Teacher will be responsible for delivering end of year services as written in student IEPs. Daily, intensive, small group and one on one instruction is required, balanced with creating a fun “summer camp” environment. Regular formative and summative assessment checks will be required to measure student progress. Teachers will receive training on a data portal to log student learning data. Administrators are looking for teachers who understand the critical value of this extra time with students and are committed to helping students make significant progress in their learning.

About the Role

1. Displays a high degree of knowledge in teaching at the elementary level and is continuously improving competence.
2. Organizes learning activities to provide varied classroom activities that are congruent with educational goals and objectives.
3. Applies sound principles of learning and motivation in the planning, delivery and assessment phases of instructional delivery.
4. Uses technology as a tool within the classroom and as a management tool.
5. Establishes healthy relationships with students and staff and models respect for and acceptance of all persons in the summer school setting.
6. Establishes healthy relationships with families and community.
7. Maintains professional ethics and responsibilities including participation in the total summer school program and in summer school themes and activities.

- 8. Displays commitment to the summer program philosophy of intense targeted instruction balanced with a fun “summer camp” environment.
- 9. Submits student progress data through a summer learning data portal on a daily basis.

Education, Knowledge and Skills Required

- 1. Valid Michigan certification in Elementary Education
