ARTICLE 1
AGREEMENT AND PURPOSE

This Agreement entered into by and between the Board of Education of the East Lansing Public Schools, East Lansing, Michigan (hereinafter referred to as the “Board” or “Employer”) and the International Union of Operating Engineers, Local 324, AFL-CIO (hereinafter referred to as the “Union”).

It is the purpose of this Agreement to set forth wages, hours and conditions of employment. It is the desire of the Board and the Union to promote harmonious relations, cooperation, and understanding between the parties.

ARTICLE 2
UNION RECOGNITION, PAYROLL DEDUCTIONS

A. Union Recognition

1. The Board hereby recognizes the Union as the sole and exclusive bargaining agent of the employees covered by this Agreement for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment.
2. The term "employee" shall include all educational secretaries and all personnel engaged in secretarial and clerical work including bookkeepers, copy center operators, clerks, receptionist, general typist and instructional clerks, but excluding: secretaries to the Superintendent; Secretary to the Director of Finance; personnel secretary; payroll supervisor; all supervisory employees, substitute employees (subject to the provisions of Article 8) and all other employees.

B. Payroll Deductions

1. Requests for payroll deductions or reductions shall be in writing and signed by the bargaining unit member. The Board assumes only the responsibility for the remittance of the amount specified by the employee. The Board shall be held harmless from violations of the tax code relating to tax sheltered annuity contribution limitations.

ARTICLE 3
NONDISCRIMINATION

The Board and the Union both reaffirm by this Agreement the commitment not to discriminate against any person or persons because of race, creed, or ancestry, color, religion, sex, age, disability, marital status or national origin.

ARTICLE 4
VISITATION

Upon request by the Union and the presentation of proper credentials, officers or accredited representatives of the Union shall be admitted onto the Board's premises during working hours for the purpose of assisting in the adjusting of grievances. The officer or representative shall not disrupt orderly operations and must check in at the building office.

ARTICLE 5
STEWARDS

- A. The employees will be represented by a chief and an alternate steward, who shall be chosen or selected in a manner determined by the employees and the Union and whose names shall be furnished to the Board within five (5) working days of the date of their election or selection to such positions.
- B. Reasonable arrangements may be made when the chief or alternate steward is required by the Board to engage during their working day in negotiations on behalf of the Union with any representative of the Board or required to participate in any grievance procedure, including arbitration, and they shall not incur loss of salary when same has been mutually scheduled by both parties or the arbitrator.
- C. During their terms of office, the chief and alternate stewards shall be deemed to head the seniority list for the purpose of layoff and recall only, provided they are qualified to do the required work. Upon termination of their terms, they shall be returned to their regular seniority status.
- D. The chief steward shall be supplied the following information for any newly hired employees within the employee's third week of employment: Name, date of hire, address, schedule placement and job location. Such information will be only for the purpose of Union business, and in no case will the information be sold or used for any nonunion purpose.
- E. The chief steward shall receive eight (8) hours of release time per year for union business. The Employer may request reasonable notification and documentation.

ARTICLE 6
BOARD RIGHTS

There is exclusively reserved to the Board all responsibilities, powers, rights and authority vested in it by the laws and constitutions of the State of Michigan and the United States, or which have heretofore been properly exercised by it, excepting where expressly limited by the provisions of this Agreement. The Board retains the right, among others, to establish and equitably enforce reasonable rules and personnel policies relating to the duties and responsibilities of the employees and their working conditions which are not inconsistent with the provisions of this Agreement or

in violation of law. It is further recognized that the Board, in meeting such responsibilities and in exercising its powers and rights, acts through its administrative staff.

ARTICLE 7
SAFETY

The Board, the Union and bargaining unit members will take reasonable measures in order to prevent and eliminate any present or potential job hazards which employees may encounter at their places of work in accordance with the Occupational Safety and Health Act, state and local regulations. If an employee feels their job safety conditions are in violation of the Occupational Safety and Health Act or state and local regulations, the employee shall promptly make a written report of the condition to her immediate supervisor and may utilize the grievance procedure through Step 3.

ARTICLE 8
JURISDICTION

Employees of the Employer not covered by the terms of this Agreement shall not perform the work covered by this Agreement except in cases of instructional training, in cases of emergency or in the case when a substitute secretary is required. If a substitute employee of the Employer works in a bargaining unit position for more than thirty (30) consecutive days, for the same person in the same building, the substitute employee shall be covered by all provisions of this Agreement, except that they will not accrue seniority and will terminate upon the return of the regular member.

ARTICLE 9
SENIORITY

- A. A newly hired regular employee shall be on a probationary status for sixty (60) work days, starting from the first day of employment. If at any time prior to the completion of the probationary period the employee's work performance is determined by the Employer to be unsatisfactory, the employee may be dismissed by the Board during this period without appeal by the Union. Employees who are absent during their probationary period must work additional days equal to the number of days absent in order to complete the probationary period.

Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to the first day of employment.

- B. 1. "Seniority" shall be defined as the amount of service accumulated within the District as an employee within the bargaining unit. Seniority shall be measured from the employee's most recent date of hire in a bargaining unit position.
2. Employees regularly scheduled to work less than twenty (20) hours per week will be credited with one-half year of seniority. Employees regularly scheduled to work twenty (20) or more hours per week will be credited with a full year of seniority. There will be no prorating for a partial year of service for members hired during

the course of the fiscal year. Bargaining unit members hired after the commencement of a fiscal year (July 1) shall receive pro-rated seniority, on a quarterly basis, during their first year of employment. However, quarters of service will not be pro-rated.

3. Whenever two or more members of the unit have equal seniority, they shall be ranked using the following criteria in the order stated:
 - a. The employee with the earliest date of hire shall be ranked first.
 - b. If the employees have the same date of hire and one is a 12-month secretary, one is an 11-month secretary and one is a 10-month secretary, the 12-month secretary shall be ranked first, the 11-month secretary shall be ranked second, and the 10-month secretary shall be ranked third.
 - c. If the employees have the same work year (e.g. both are 12-month) the employee with the lowest number in the last four digits of the employee's social security number shall be ranked first.
 4. A seniority list shall be made available to all bargaining unit members and the Union by September 30 of each year. The list shall contain the employee's location, assignment, seniority and date of hire into the unit. The seniority list shall contain a statement, signed by the Board and the Union, that if no objections are received within thirty (30) days thereafter, the list distributed shall be regarded as conclusive.
 5. A member of the bargaining unit shall retain accumulated seniority for a period of up to two (2) years, but shall not accrue seniority while on an unpaid leave of absence.
- C. Employees shall be laid off and/or recalled according to seniority and qualifications. In the event it becomes necessary to lay off an employee, the employee whose position is being eliminated or reduced (by two or more hours per day) shall have the right to displace:
1. Any position held by an employee with less seniority.
 2. It is understood that this provision may result in an increase or decrease in an employee's hours and/or work year.
 3. All displacement and bumping under this provision will be accomplished at a single meeting.
 4. If the bargaining unit member whose position has been eliminated chooses not to displace a less senior employee, as outlined above, the displaced bargaining unit member will be placed on layoff with recall rights as specified in this Agreement.

Section C (1) and (2) will only apply if the senior employee is qualified to hold the position,

as determined by the Employer, and the employee has more seniority than the employee being displaced. This determination is subject to the grievance procedure.

- D. In the event the Board determines to eliminate a position or to reduce the hours of a position by two (2) or more hours per day, the employee then assigned to that position shall be given a minimum of fourteen (14) calendar days written notice, with a copy of such notification furnished to the Union. The Union may then request that a meeting be scheduled with a representative of the Board in order to receive an explanation of the reasons for the lay-off or reduction of hours and how the work associated with the eliminated or reduced assignment will be performed.
- E. An employee will lose seniority rights and shall be deemed terminated if the employee:
 - 1. Quits.
 - 2. Is discharged in accordance with the discharge provisions in Article 11 and the discharge is not reversed through the grievance procedure.
 - 3. Does not return to work when recalled after a layoff. Notice of recall shall be sent by e-mail and first class mail to the last known e-mail and residential address of the employee which the Board has in its personnel records. If the employee does not notify the Board of acceptance of recall with five (5) calendar days from the mailing of the notice of recall or if the employee does not report within ten (10) calendar days from the date of mailing of notice of recall (unless otherwise excused by the Board) the employee shall be considered a quit.
 - 4. Is laid off for three (3) consecutive years without being recalled.
 - 5. Is absent for three (3) consecutive working days without notifying the immediate supervisor.
 - 6. Fails to return to work within three (3) consecutive working days from the day of expiration of a leave of absence, vacation or disciplinary layoff without notifying the immediate supervisor.
 - 7. Retires.
- F.
 - 1. The bargaining unit seniority which was accumulated as of the date an employee transfers to a position in the East Lansing School District, outside of the bargaining unit, shall be retained for up to a period of two (2) years. The employee shall have the right to exercise this seniority and bid on a vacant position within the bargaining unit providing the employee possesses the qualifications for that vacant position.
 - 2. When an employee is hired as a confidential secretary in the East Lansing Public Schools, the employee shall accumulate seniority, beyond any seniority retained as

described in ¶ F (1) of this Article, for up to two (2) years as a confidential secretary. The employee shall have the right to exercise this seniority and bid on a vacant position within the bargaining unit providing the employee's position is being eliminated or the employee is being laid off and the employee possesses the qualifications for that vacant position.

ARTICLE 10
TRANSFER AND PROMOTIONAL PROCEDURE

- A. When the Board determines to fill a vacancy or create a new position, notice of such vacancy or newly created position shall be publicized by posting and by giving written notice to the Chief Steward within one (1) pay period from the date the Board determines to fill such vacancy. No vacancy shall be filled on a permanent basis until five (5) working days after notice of the vacancy has been posted.

The written notice of a newly created position or vacancy shall include the following information: The type of work, starting date, rate of pay, hours to be worked, and specific qualifications and training.

A vacancy shall not exist when the work year or work week of a bargaining unit position is increased by 20% or less. Example: If the established work week of a bargaining unit position is 35 hours, 7 or fewer added hours would not cause the position to be regarded as vacant under this Article.

Notification of appointment or non-appointment will be given to employees within the unit who have applied for the vacancy or newly created position within ten (10) working days after the position is filled.

- B. The Board has the right to hire the most qualified applicant as determined in the Board's sole discretion, for all vacancies and new positions in the bargaining unit, regardless of seniority. Upon application, a member of the bargaining unit who is qualified and has received at least a satisfactory evaluation in his/her most recent evaluation shall be interviewed and considered for the vacancy or new position.

A committee composed of two (2) Union members and an employer designee will make recommendations to the Employer regarding written or skills tests. Final selection will be the right of the Employer. Portions of the test may be waived if that portion of the test is not currently being performed on the job.

- C. The employee who is promoted or transferred shall be granted a three (3) week (15 working days when students are in the building) trial period [which includes ten (10) working days when the bargaining unit member's immediate supervisor is present and when students are in school, for those employees working in buildings with students] to determine: (1) the ability to perform on the job and (2) the desire to remain on the job. The trial period shall be extended for ten (10) additional working days upon mutual written agreement of the Employer and the Union.

During the above trial period, the employee shall have the opportunity to revert to the employee's former position.

If the employee's job performance in the new position is determined to be unsatisfactory by the Employer notice of such a finding and reasons shall be given to the employee before the employee is returned to their former position, with the employee having the right to grieve the decision of the Employer, through Step Three of the Grievance Procedure.

During the trial period, the Employer shall have the right to use a substitute employee in the position to which the promoted or transferred bargaining unit member was previously assigned.

- D. Any employee temporarily transferred to an assignment in another salary grade within the bargaining unit shall either be paid the rate of the position from which the employee is transferred or the rate of the position to which the employee is transferred, whichever is higher. Such temporary transfer shall be at the employee's present rate of pay for the first four (4) working days and then as of the fifth (5th) working day, if the employee continues in the same position, the employee shall be paid at the same step level of pay for the duration of the temporary position, retroactive to the date of temporary transfer.

The temporary transfer shall not exceed 180 school days.

- E. In the event the transferred employee reverts to the employee's former position or is returned to the former position, the position need not be re-posted as a vacancy if another bargaining unit applicant for the originally posted vacancy may be offered the position under the standards set forth in ¶ B of this Article. If there were no other bargaining unit applicants for the original posting or if those applicants do not meet the selection standards set forth in ¶ B of this Article, the position will be re-posted.

ARTICLE 11 **DISCHARGE, DEMOTION AND DISCIPLINE**

- A. No non-probationary employee shall be disciplined, without just cause. Any such action imposed upon an employee may be processed as a grievance through the regular grievance procedure. An employee may ask for representation from the Union in the event of any such disciplinary action.
- B. The Board agrees, promptly upon the discharge, suspension, or demotion of any employee covered by this Agreement, to furnish written notification of the action taken to the employee and the chief steward.
- C. Should it be determined that an injustice has occurred regarding an employee's demotion, suspension or discharge, the Board agrees to reinstate the employee and pay for all time lost.

ARTICLE 12
LEAVE OF ABSENCE

A. Leave for Extended Illness/Disability

An employee who, because of illness or disability which is non-compensable under the Worker's Disability Compensation Act, is physically unable to report for work and has exhausted all means of allowable compensation from the Board, shall be granted a leave of absence for a period of up to one (1) year, provided the employee promptly notifies the Board of the necessity of the leave and provided the employee supplies the Board with a statement from their medical or osteopathic doctor of the necessity for the leave and the projected length of time of the absence. Upon return from leave, the employee shall be assigned to the same position or a position of like nature.

B. Child Care Leave

Child care leaves may be granted (where leave is otherwise not required to be granted under the Family and Medical Leave Act) to employees for the primary care of children during infancy (approximately to 12 months). Request for such leave shall be made in writing at least thirty (30) calendar days where need for such leave is foreseeable. Requests shall state the expected date the leave is to begin and the expected duration of the leave.

A member of the bargaining unit adopting a child may be granted (where leave is not otherwise required to be granted under the Family and Medical Leave Act) leave under the same terms and conditions as provided herein which shall begin upon the entry of an order under the Probate Court awarding custody to the adopting parents.

C. Family and Medical Leave Act

The District will comply with the provisions of the Family and Medical Leave Act of 1993 (FMLA).

D. Military Leave

The reinstatement rights of any employee who enters the military service of the United States by reason of an act or law enacted by the Congress of the United States or who may voluntarily enlist during the effective period of such law shall be determined in accordance with the provisions of the law granting such rights.

E. Reserve Training

A leave of absence will be granted to an employee who is active in the National Guard or a branch of the armed forces reserves for the purpose of fulfilling his/her annual field training obligations, or in the event the employee is ordered to active duty for the purpose of handling civil disorders. The employee must submit a written request for the leave of absence immediately upon receiving his/her orders to report for duty. The Board will pay

the difference between the employee's military pay and regular pay if military pay is less, for a period not to exceed fourteen (14) days in any fiscal year (July 1 - June 30).

F. Union Leaves

Any employee in the bargaining unit who is either elected or appointed to a full time position or office in the Union whose duties require the employee's absence from work shall be granted a leave of absence for a period up to three (3) years. The Union leave of absence may be extended beyond three (3) years, upon request by the employee, at the option of the Board. No more than one (1) Union member shall be on leave of absence for Union activity at any one time.

G. General Leave Provisions

1. All reasons for leave of absence shall be in writing, stating the reason for the request and the approximate length of leave requested with a copy of the request to be maintained by the Board. If leave is taken under this Article, the Board shall notify the Union of the identity of the bargaining unit member taking the leave but shall not be required to disclose confidential information pertaining to the leave (e.g. medical information) to the Union without the consent of the bargaining unit member.
2. An employee who meets all of the requirements as specified in this Article shall be granted a leave of absence (with the exception of child care leaves or other discretionary leaves) without pay and benefits. Other leaves of absence(s) may be granted at the discretion of the Board for reasons other than those listed above when they are deemed beneficial to the employee and the Board.
3. Return from any leave of absence not covered by law shall be in accordance with the following:
 - (a) An employee who is on leave for six (6) months or less shall be entitled to resume his/her regular seniority status and all job and recall rights.
 - (b) An employee who is on a leave of more than six (6) months (to a maximum of two [2] years) must inform the Board, in writing, sixty (60) calendar days prior to the date of return, and he/she will be given the opportunity to return to the first open position for which he/she possesses seniority and for which he/she is qualified.
 - (1) A position will be considered "open" after it has been posted as per the terms of Article 10 of this Agreement.
 - (2) An employee who has informed the Board of his/her intent to return from leave shall have the right to bid on open positions which have been posted under the provisions of Article 10 of this Agreement.

4. The Employer has the right to receive medical certification from the employee's health care provider regarding the necessity for personal illness/disability leave taken under this Article. The employee will facilitate and cooperate in the furnishing of such information, which shall include the information that may permissibly be requested under Form WH 380-E (or its successor form) as developed by the United States Department of Labor to implement the Family and Medical Leave Act.

The Employer has the right to require that a second medical opinion (at Employer expense) be obtained. If that opinion differs from that of the employee's health provider, the employee and Employer (in consultation with the Union, if requested by the employee) shall mutually designate a third health provider whose opinion relative to leave eligibility or initial fitness to return to work shall be considered final and binding on the Employer, the employee and the Union. The cost of this examination shall be paid by the Employer.

The Employer shall have the right to require the medical certification of the employee's fitness to return to duty at the expiration of the leave period, including the securing of a second medical opinion (at Employer expense).

ARTICLE 13 **GRIEVANCE PROCEDURE**

A. Definitions

1. A "grievance" shall be defined as an alleged violation of the express terms of this Agreement.
2. For the purpose of processing grievances "working days" shall be defined as Monday through Friday, excluding all paid holidays and Winter and Spring vacation intervals.

B. Procedures

1. The time elements in the Steps may be shortened, waived or extended upon written mutual agreement between the parties.
2. Any grievance which is not appealed within the specified time limits set forth in that Step level of the grievance procedure will be considered settled on the basis of the decision rendered at the previous step level of the grievance procedure.

In the event an answer to a grievance is not given within the specified time limits of that Step level of the grievance procedure, the appealing party may automatically appeal the grievance to the next Step level of the grievance procedure.

3. Any employee or Union grievance not presented for disposition through the grievance procedure within five (5) working days of the occurrence of the condition giving rise to the grievance or within five (5) working days of the date it is reasonable to assume that the employee or the Union first became aware of the conditions giving rise to the grievance, shall not be considered as a grievance under this Agreement. The processing of a grievance by the Board, where the Board has raised an objection to the timeliness of the grievance, shall not be regarded as a waiver of the timeliness objection.
4. The purpose of this procedure is to secure, at the earliest possible administrative level, equitable solutions to grievances which may arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
5. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration.

C. Step One

1. Any employee having a grievance shall discuss the grievance with their immediate supervisor within the time limitations set forth in ¶ B (3) above, and if the grievance is not settled orally, the employee may request a meeting with the Chief Steward to discuss the grievance.
2. The Chief Steward may submit the grievance in writing to the immediate supervisor stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged contract violation. The employee and the Chief Steward shall sign the grievance and submit it to the immediate supervisor within the time limitations set forth in ¶ B (3), above.

D. Step Two

1. The Chief Steward and the affected bargaining unit member(s) shall meet with the immediate supervisor to discuss the grievance within five (5) working days of its written submission to the immediate supervisor.
2. The immediate supervisor shall give a decision in writing relative to the grievance within five (5) working days of the meeting with the Chief Steward.

E. Step Three

1. Any appeal of a decision rendered by the immediate supervisor shall be presented to the Superintendent (or the Superintendent's designee) within five (5) working days from date of receipt of the answer given by the immediate supervisor, and the

Superintendent (or the Superintendent's designee) shall meet with a business representative of the Union at a time mutually agreeable to them.

2. The Superintendent (or the Superintendent's designee) shall give their answer in writing relative to the grievance within ten (10) working days of the date of the meeting with the Business Representative of the Union.

F. Step Four

1. If the Union is not satisfied with the disposition of the grievance by the Superintendent (or the Superintendent's designee), the grievance may be submitted to arbitration, provided that the grievance is submitted within thirty (30) calendar days from the date of receipt of the answer given at Step 3 or the date the answer was due, whichever date occurs first.
2. Within fifteen (15) calendar days after the demand for arbitration representatives of the Board and the Union will confer for the purpose of identifying a mutually acceptable arbitrator. If no agreement is reached on appointment of an arbitrator, within the above interval, the appealing party shall file with the Federal Mediation and Conciliation Service to request a panel of arbitrators residing within Michigan.
3. The Arbitrator, the Union or the Board may call any relevant person as a witness in any arbitration hearing.
4. Each party shall be responsible for the expenses of the witnesses that they may call.
5. The Arbitrator shall not have jurisdiction to subtract from or modify any of the terms of this Agreement or any written amendments to this Agreement, to specify the terms of a new Agreement, to decide matters removed from the scope of arbitration under this Agreement, or to substitute the Arbitrator's discretion for that of the parties.
6. The parties shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.
7. The arbitration filing fee shall be paid equally by the parties. The fees and expenses of the Arbitrator shall be paid by the non-prevailing party.
8. The Arbitrator shall render a decision in writing not later than thirty (30) calendar days from the date of the conclusion of the arbitration hearing.
9. The decision of the Arbitrator shall be final, conclusive and binding upon all employees within the bargaining unit, the Board and the Union.

ARTICLE 14
HOURS AND WORK WEEK

- A. The normal work day shall consist of eight (8) consecutive hours per day, excluding a duty-free, uninterrupted lunch period of not less than one (1) hour, unless mutually agreed between the Employer and the employee. The normal work week shall consist of forty (40) hours per week, Monday through Friday. The Board retains the right to regularly schedule work for less than eight (8) hours per day or forty (40) hours per week.

The normal work day will be scheduled between the hours of 6 a.m. and 7 p.m. The Board has the right to reduce the hours of positions within the bargaining unit, in accordance with the provisions of Article 9 Seniority of this Agreement.

B. Overtime

1. Time and one-half (1/2) will be paid for all time worked in excess of forty (40) hours in one week. All overtime must be authorized in advance.
2. All hours worked on Saturday or Sunday will have a three (3) hour minimum.
3. As an alternative to monetary payment of overtime, an employee and his/her immediate supervisor may agree that compensatory time will be earned instead of overtime. Both are computed at 1.5 hours for each hour worked over forty (40) hours in a week. Compensatory time is subject to a maximum accrual of forty-five (45) compensatory hours which is thirty (30) overtime hours and its use will be scheduled cooperatively between the employee and his/her immediate supervisor.

Compensatory time earned, used and current balance will be recorded in the notes section on time sheets.

4. No employee shall be required to take time off from the employee's regular schedule or have their hours reduced as a result of having to report to work prior to their shift or because the employee worked over eight (8) hours in a work day. However, an employee and his/her immediate supervisor may agree to a flexible work schedule within the regular work week that better meets the needs of the Employer and the employee.
5. If the Employer determines to allocate overtime projects (involving ten or more work hours) to its employees (as opposed to utilizing outside contractors), such projects will first be offered to bargaining unit members where the work in question involves functions normally performed by bargaining unit personnel. The person assigned to the position where the overtime opportunity occurs shall have the first opportunity to bid on the overtime project. If that person declines the overtime (or is unavailable) the next most senior bargaining unit member in the same building who is qualified to perform the overtime work will be offered that opportunity. If the work remains unallocated after the above steps, it will be offered to the most senior qualified bargaining unit member who has indicated interest in overtime

opportunities by placing her name on the district-wide overtime list. Overtime will be rotated in inverse order of seniority, with the Union having responsibility for maintaining an equalization list and furnishing the Employer with an updated list at all times.

C. Reporting Pay

Any employee called to work or permitted to come to work without being notified by the Board that there will be no work, or who has been notified that there is less work than they are regularly scheduled to work, shall receive four (4) hours of pay or if they are regularly scheduled to work less than four (4) hours per day, they shall receive their regular daily rate of pay.

D. Call Back

Whenever an employee has left the employer's premises and is required to return to work after the completion of the employee's regularly scheduled working hours, the employee shall receive the pay for the actual hours worked at the appropriate rate of pay or a minimum of two (2) hours pay at the employee's straight hourly rate, whichever is greater.

E. Relief Time

Employees shall be provided a fifteen (15) minute relief time during each four (4) hours of work. This period, if not used, may not accumulate to be used at some later time and may not be used for any other purpose. The Employer may provide a person to relieve the employee for these 15 minute breaks.

F. In the event that the Board requires an employee to work more than his/her established work weeks or work days per year, that employee shall be so notified by the Board, in writing, at least fifteen (15) work days before the effective date of the additional work, unless the change by shorter notice is by mutual agreement.

ARTICLE 15
PAID LEAVE

A. Sick Leave

1. Each employee covered by this Agreement shall accumulate one (1) sick leave day per month in an individual single sick leave bank, with a maximum accumulation of one hundred and fifty (150) days. Probationary employees accumulate sick leave but are not credited with or granted the leave until they achieve non-probationary status.

2. Leaves of absence with pay chargeable against the employee's sick leave allowance shall be granted for the following reasons or any other approved reasons:

a. When the employee is incapacitated from the performance of the

employee's duties due to sickness, pregnancy, injury or for medical, dental or optical examination or treatment.

- b. A maximum of ten (10) working days per working year for an illness in the immediate family. "Immediate family" shall include the employee's spouse, children, mother, father, brother, sister and corresponding in-laws, grandparents, grandchildren or member(s) of the employee's household.
 - c. When critical illness in the immediate family requires the attendance of the employee, the appropriate administrator may grant use of sick leave allowance up to the amount accumulated by the employee. "Immediate family" shall be as defined above.
3. Employees who are unable to perform their duties because of illness or disability shall notify their supervisor before the start of the work day. If an illness or disability extends beyond the first day, the employee and the employee's supervisor may make arrangements as to the frequency of notification of the continued illness or disability.
 4. An employee who permanently separates from the employment of the Board for retirement purposes, in accordance with the provisions of the Michigan Public School Employees Retirement Act, shall be paid a lump sum payment of the employee's unused sick leave days at the rate of \$55 per day. The maximum amount payable shall not exceed \$7,500. Employees receiving payment for unused sick leave under ¶ A(5) of this Article are ineligible for this benefit. This provision will not apply to those employees who are discharged and the discharge is not reversed through the grievance procedure.
 5. An employee who permanently separates from the employment of the Board, after ten (10) years of service, in accordance with the provisions defined in Article 19, Section D, shall be paid a lump sum payment of the employee's unused sick leave days at the rate of \$50 per day. The maximum amount payable shall not exceed \$6,000. Employees receiving payment for unused sick leave under ¶ A(4) of this Article are ineligible for this benefit. This provision will not apply to those employees who are discharged and the discharge is not reversed through the grievance procedure.
 6. Employees who have exhausted their sick leave credit and are still unable to return to work may be paid for any unused vacation days.
 7. Employees who have attained maximum sick leave accumulation will be paid \$25 per day for each unused sick leave day from their annual allotment which cannot be added to their accumulation due to accumulation limit contained in ¶ A(1) of this Article. This payment will be made in July annually, based upon sick leave accumulation and utilization as of the immediately preceding June 30.

B. Funeral Leave

1. All employees shall be granted up to five (5) working days off with pay for a death in the employee's immediate family. The immediate family shall be defined as: Employee's spouse, children, mother, father, brother, sister and corresponding in-laws, grandparents, grandchildren or member(s) of the employee's household.
2. Time off with pay, not to exceed one (1) day, will be granted for attendance at the funeral service of a person whose relationship warrants such attendance.

C. Personal Business Days

Each employee covered by this Agreement shall earn two (2) personal business days per year for the purpose of attending to or caring for personal business, which by its nature cannot be scheduled outside of the regular workday. For 2015-16 bargaining unit members shall receive one additional personal business day. Personal business days shall not be used to extend a holiday, vacation period or to extend a period when school is not in session, nor shall personal business days be granted for the purpose of other employment or for any other leave provision in this Agreement. Personal business days may not be utilized for less than one-half (1/2) day increments. In the event the employee does not use the personal business days provided for, such days shall be credited to the employee's sick leave bank the following year. The use of the personal business days must be arranged with the employee's immediate supervisor prior to the use of such days by submission of written application with as much advance notice as possible.

D. Jury Duty

An employee who serves on jury duty will be paid the difference between the employee's pay for that duty and the employee's regular pay provided proof of service and pay is submitted. - D. Less than twelve month secretaries will normally utilize their vacation time at the end of their work year but may utilize vacation time during their work year with approval of their supervisor. If vacation days are not used by the end of the secretary's work year, the secretary may request that they be paid at the end of July following the work year in which they originally accrued, provided that this request is made to the business office not later than May 15. Alternatively, the secretary may request that the unused vacation days be carried over to the next fiscal year (i.e. July 1), to a maximum carryover of one year's earned vacation days. If the vacation days carried over are not used during the fiscal year immediately following the fiscal year in which they originally accrued, they will be paid by July 31. All premium or premium equivalent amounts for which the employee is responsible will be payroll deducted.

A. Health/Medical Insurance and Cash-In-Lieu

Health/medical plan coverage shall be MESSA Choices II (PAK) with in-network deductible of \$500/\$1,000, \$20 office visit copay, \$25 urgent care copay, \$50 emergency copay, and Saver Rx drug copay, or an equivalent policy. This shall be in addition to pro-rated premium amounts that are the responsibility of part-time employees. Effective January 1, 2017, bargaining unit

employees who remain in MESSA Choices 2 rather than MESSA ABC Plan 1, shall additionally pay 100% of the employee cost difference between MESSA Choices II and MESSA ABC Plan1. Effective January 1, 2018, bargaining unit members that elect MESSA Choices II, rather than MESSA ABC Plan 1, shall additionally pay one hundred percent (100%) of the difference in medical benefit plan costs (including any Board paid H.S.A. contribution) between MESSA Choices II and MESSA ABC Plan 1.

It is expressly understood that full twelve (12) months' coverage is dependent upon completion of the contract for the total school year.

1. Bargaining unit members (and/or their eligible dependents) who are enrolled in any health or medical insurance coverage from any outside source or through another District employee shall not be concurrently eligible for health plan premium contributions by the Employer, as set forth in this Article, but shall instead elect the cash option specified in Paragraph F of this Article.
2. Eligible employees (those working 30 or more hours per week) who elect not to participate in the health insurance program offered shall instead receive \$300 each month in cash under a valid IRS Section 125 Plan established by the Employer. The amount shall be \$200 each month for bargaining unit members hired after July 1, 2014.
3. Bargaining unit members hired on or after December 1, 2010 shall only be eligible to have the Employer's portion of single subscriber health/medical benefit plan costs contributed on their behalf. However, those individuals may elect additional health/medical coverage, at their expense, provided that such additional enrollment is allowed by the carrier.

The Employer shall provide (for those employees working 30 or more hours per week), an insured income continuation plan for disability that extends beyond the employee's accumulated sick leave. The benefits of this plan are summarized per MESSA's "Negotiated LTD Plan Highlights" document.

Employees who have exhausted their accumulated sick leave but who are not eligible for long-term disability benefits because they have not satisfied the 90 day wait period will be eligible for continuation of 60% of their base wages after an unpaid ten (10) work day waiting period. The wage continuation amount funded by the Employer shall be reduced by the amount of Social Security, Workers' Compensation or any other employer-sponsored benefit. The Employer's responsibility after the above ten (10) day unpaid wait period shall not exceed the number of work days in the balance of the 90 calendar day qualifying interval for long-term disability benefits.

The employee will continue to receive health insurance while on long term disability for up to a maximum of twenty-four (24) months.

F. Tax Deferred Annuities

The Employer agrees to deduct twice each month tax-deferred 403(b) employee contributions and to remit such contributions to a single Employer approved 403(b) vendor or third party administrator within one (1) week following the deduction subject to the following conditions:

1. The Employer-approved 403(b) vendor shall be selected from a list of vendors established by the Michigan Retirement Investment Consortium and the Employer.
