

# East Lansing Public Schools Safe Return to In-Person School Plan Reviewed and Updated August 2022

East Lansing Public Schools will continue to prioritize the offering of full-time in-person teaching and learning post pandemic. The Return to Learn Plan provides details and guidance to ensure a safe and healthy environment where optimal learning can take place. We will continue to rely on the data and guidance from the Ingham County Health Department (ICHHD), Michigan Department of Health and Human Services (MDHHS) and the Center for Disease Control (CDC).

*Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to make adjustments to mitigation strategies.*

The CDC will determine the COVID-19 community level for the county. Based on the community COVID-19 level, as determined by the CDC, East Lansing Public Schools, in consultation with MDHSS and the Ingham County Health Department as necessary, will determine the number of mitigation strategies to implement to foster optimal learning environments while simultaneously ensuring the health and safety of students and staff.

***The district will comply with any and all local, state, and federal mandates/orders.***

The following plan outlines measures for the CDC COVID-19 Community Levels of low, medium, and high.  
The levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.
