**Q8 Describe specifically any issues or concerns with site safety, parking, bus traffic, student traffic, parent drop-off / pick-up, landscaping, sidewalks and grounds.**

Answered: 13 Skipped: 19

#	Responses	Date
1	Narrow sidewalks for high volumes of children before and after school, very close to the bus lane. Parent parking is far from the office door and access can be difficult with multiple young children in the car. Landscaping is almost non-existent around large portions of the building. The "dirt / woodchip" areas are unattractive and muddy and dangerous when wet and slippery. The playground has a drainage cover that can flood and be wet and dangerous for students to play near. Student drop off and pick up is located near the utility entrance and dumpster area which is unattractive and can be dangerous if there are vehicles or workmen in the area finishing jobs.	6/2/2016 4:41 PM
2	Need for more parent drop off spaces	5/30/2016 7:55 PM
3	Parking lot needs to be repaved!	5/25/2016 9:21 AM
4	Unless there is someone monitoring the parent drop-off/pick-up, parents clog up the bus lane. Also pick-up traffic is so heavy that often cars are lined up down Hagadorn waiting to get in.	5/24/2016 10:05 PM
5	I am in and out of all the buildings and sometimes cannot find a parking space at the elementary buildings. It is impossible to leave some elementary buildings near the end of the day as parents are waiting to pick up their children.	5/24/2016 2:23 PM
6	The set up of the pick up lane is challenging. Families are often frustrated because of the parking issues. We have a good system, but the space is poorly designed. We have a one way path, but the pick up line often blocks the parking spaces. We have two busy streets so it is challenging to keep the line moving along and stay out of the way of the bus.	5/18/2016 4:18 PM
7	I think we should add the time to our one way sign to allow everyone to know the hours when our one way is being enforced.	5/18/2016 1:40 PM
8	The exterior door by my classroom does not shut properly. I have put in multiple work requests and notified administrators over the past 2 years. Maintenance personnel have come to work on it several times, but it still does not close properly on a consistent basis. I find the door partially open multiple times a day. Anyone could walk into that door unnoticed. There have been times on a Monday morning when I walk in and the door is not securely closed. Someone could have come in at any point during the weekend if they had tried. It is a major safety concern. Our interior doors are a significant safety concern as well. In my opinion, the doors should be able to lock from the inside. If an intruder were to be in the building, precious time would be lost locate my key and walk OUTSIDE of my room to lock my door. When a guest teacher is here, he/she has NO way to lock the door in the event of an emergency. All of my kids would need to be taken through the hallway into another classroom to be in a locked area. By the time a guest teacher would be able to make this crucial plan of action, the nearest classroom would hopefully be locked. This would put my students in even greater danger.	5/18/2016 10:37 AM
9	Cata stop need to be part of ground maintenance.	5/18/2016 8:34 AM
10	If everyone follows "rules" parent drop-off/ traffic goes well. But there's always the human element that is part of the whole picture.	5/18/2016 7:45 AM
11	The sidewalk area is overcrowded. This runs along the bus sight and the path of our car line as they exit. It is not safe for children walking by the front circle drive, but there isn't enough space on the sidewalk to accommodate everyone. The available space for pick up cars to actually load students is very small and people parked can hardly get around them. It is quite a chaotic flow in our parking lot/pick up area.	5/17/2016 7:43 PM
12	We have had numerous slip and fall accidents for staff and students. These areas need to be addressed to ensure safety for all. Handicap accessibility is an issue. Although we have a good system for drop off and pick up there are delays especially at the end of the day (however this is true for both at the HS and MS). We do not have enough security in our buildings or training to keep our students and staff safe. With a rise in school shootings, we need to address safety at all levels to protect everyone. Our cameras and key cards are not keeping us safe. Please consider training and updated/upgraded equipment for this.	5/17/2016 5:21 PM
13	Bushes are overgrown, many weeds, and overall looks run down.	5/17/2016 5:12 PM

### Q9 Rank the need for secure building entry upgrades.

	4	9	9	3	0	1		

**Q12 Rank the thermal comfort of the building (extreme heat/cold, drafty windows, roofing issues).**

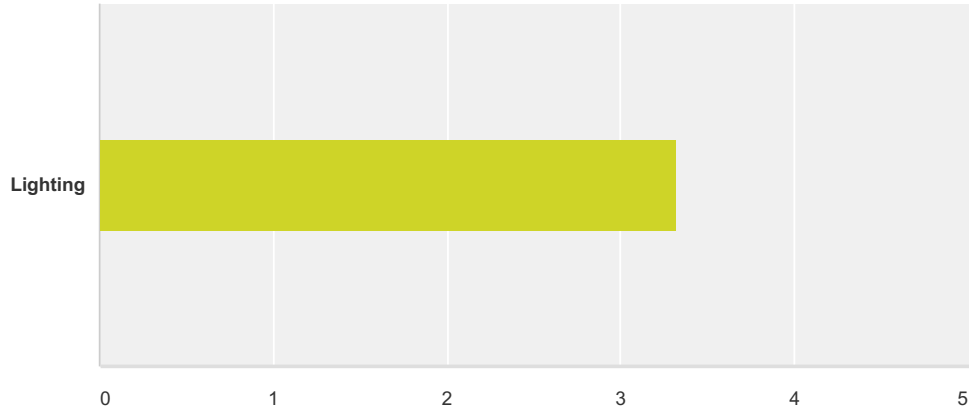

Answered: 26 Skipped: 6

	1 - Unacceptable	2	3	4	5 - Excellent	N/A or No Comment	Total	Weighted Average
Thermal Comfort	11.54% 3	42.31% 11	23.08% 6	19.23% 5	0.00% 0	3.85% 1	26	2.52

### Q13 Rank the building lighting and its ability to support educational work.

Answered: 26 Skipped: 6

	1 - Unacceptable	2	3	4	5 - Excellent	N/A or No Comment	Total	Weighted Average
Lighting	3.85% 1	15.38% 4	30.77% 8	38.46% 10	7.69% 2	3.85% 1	26	3.32

#	Comment	Date
1	lighting is OK in the classroom. I am not able to control the number of lights I use, it's either all or none, which is unfortunate. The hallways are dark and dismal and depressing to be in.	6/2/2016 4:48 PM
2	Fluorescent lighting is not optimal for learning.	5/23/2016 8:25 AM
3	I use lamps and window light because the florescent lights bother some of my students.	5/18/2016 4:22 PM
4	When it's hot out the heat comes on full blast. When it's cold the heat doesn't run well.	5/18/2016 9:28 AM
5	Temperatures vary from room to room.	5/17/2016 10:21 PM
6	As mentioned on the previous page - security should be a top priority. We need to keep our students and staff safe and we need to be looking at other districts that have implemented systems for this purpose - new windows, entry systems for everyone and how we react in a real situation rather than sit and wait for an attack. We should have some control in our own rooms for temperature. It is often too cold or too hot and have to call to get it fixed. Our system is old and loud which interferes with students ability to hear instruction.	5/17/2016 5:26 PM

**Q14 Rank the building acoustics (cross contamination between spaces and / or ability for students / instructors to communicate effectively).**

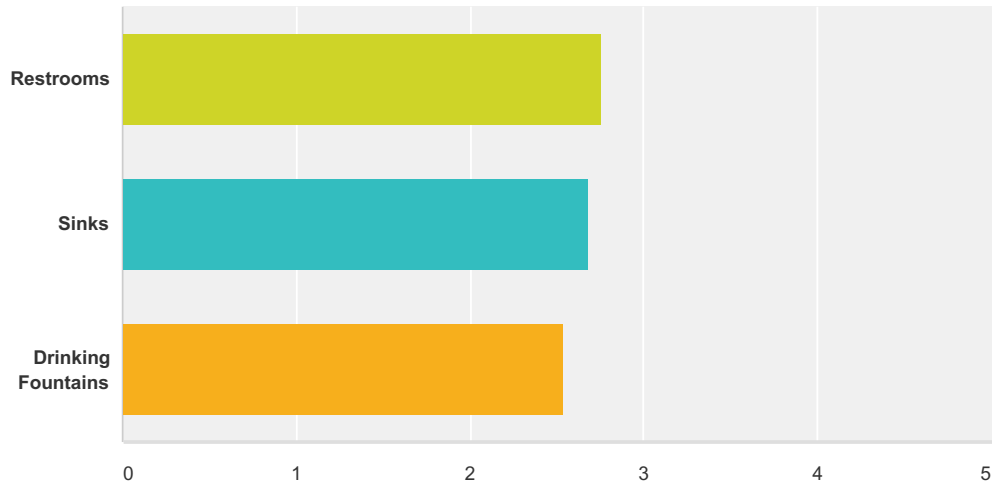

Answered: 26 Skipped: 6

	1 - Unacceptable	2	3	4	5 - Excellent	N/A or No Comment	Total	Weighted Average
Acoustics	0.00% 0	19.23% 5	30.77% 8	38.46% 10	0.00% 0	11.54% 3	26	3.22

### Q15 Rank the plumbing systems.

Answered: 26 Skipped: 6

	1 - Unacceptable	2	3	4	5 - Excellent	N/A or No Comment	Total	Weighted Average
Restrooms	11.54% 3	34.62% 9	19.23% 5	26.92% 7	3.85% 1	3.85% 1	26	2.76
Sinks	7.69% 2	38.46% 10	30.77% 8	15.38% 4	3.85% 1	3.85% 1	26	2.68

Answered: 15 Skipped: 17

#	Responses	Date
1	Exterior doors do not always close behind you. The bells are hard to hear from inside the classroom. The main entrance has no control if there are unwanted intruders that could then get right into the rest of the school or into the office. The temperature in my classroom has been mostly OK all year, but the wall control unit doesn't really change the temps much. Air quality seems poor, poor circulation. My windows do not fully shut and that leads to a lack of security and bugs can get in. The bathrooms smell horrible. My classroom bathrooms do not have sinks. The noise of children washing is actually a huge distraction during the day. The classroom sinks are surrounded by cabinets that are broken, peeling, and moldy. There are questionable hardware pieces on the water fountains and sink handles.	6/2/2016 4:48 PM
2	It's very hard to hear the bells in the kindergarten wing...especially in the hallway. The sink area and cabinets are falling apart. Cabinets below sinks need to be replaced. #1 problem at Marble are the old kindergarten lockers...they are all rusted out on the bottom, many hooks are missing and many lockers are almost impossible to open...especially by 5-6 year olds. Half of our school got new lockers, but the other half still has awful old ones. The kids get very frustrated when they cannot open their locker day after day...and there aren't any extra lockers to move them to another one.	5/25/2016 11:50 AM
3	The clocks are all different. It is either very cold or very hot- no happy medium. We have no control of temperature.	5/25/2016 9:24 AM
4	My toilet has had numerous issues with non-stop flushing and water leaking/ overflow.	5/24/2016 10:09 PM
5	Drinking fountains in hallways where students get their water are clogged and have poor water pressure.	5/24/2016 2:01 PM
6	The drinking fountain in the classroom often clog so the kids can not use it. The bathroom frequently smells of urine (after nightly cleaning). The heating in my classroom fluctuates from hot to cold during the day. Mike has worked to try and keep it level.	5/18/2016 4:22 PM
7	Cabinets installed in the last renovation are not in the best of shape in some areas: doors hanging crooked, warped if they are close to a sink.	5/18/2016 2:00 PM
8	Teacher bathrooms have no hot water most of the time and barely adequate heat in the winter.	5/18/2016 12:08 PM
9	On really hot days, there are only a few locations within the school that are comfortably cool.	5/18/2016 10:40 AM
10	We need a safer entry system. Shatterproof glass and a wall with a door so visitors are buzzed into the school are a must. Anyone can just walk into our building and there is no safety system in place for office personnel. We have an emergency button but it is across the room and by the time I get to the button it will be too late for me.	5/18/2016 9:56 AM
11	I would like to see a more secure system of entering and exiting the buildings. Some exterior doors don't close unless you make sure to pull them closed.	5/18/2016 9:28 AM
12	Our window frames are rotted or rusted and covered with paint.	5/17/2016 10:21 PM
13	The wood paneling in the classrooms is extremely old and unappealing. The cabinets are a nice plastic material, but are beginning to fall apart. The window screens are damaged.	5/17/2016 7:46 PM
14	Heating and cooling need to be upgraded and there needs to be some sort of control in each classroom. Although the computer says a room is at a certain temp, it is not always comfortable for staff and students. We wear our coats frequently due to being cold from air and in the winter. But then we are boiling on other days. There is not consistency.	5/17/2016 5:26 PM
15	In some classrooms where teachers cannot control heat, the temperature can reach over 80 degrees each day. Then there are extreme shifts and it can be extremely cold early afternoon.	5/17/2016 5:16 PM

Answered: 9 Skipped: 23

#	Responses	Date
1	It is unattractive and smells horrible. The acoustics are awful and the kitchen is old and disgusting! I can't believe that this has not been addressed in the past. I would not want my own child to eat out of a kitchen like we have at Marble!	6/2/2016 4:51 PM
2	This room is often unavailable due to breakfast and lunch tables and clean up afterwards.	5/24/2016 3:07 PM
3	They need to be redone to absorb noise and be made into an inviting environment. In some buildings the cafeteria is not even large enough to accommodate the number of students that have to eat at each lunch. They are crammed in like sardines...this leads to behavior issues.	5/23/2016 8:28 AM
4	The acoustics are challenging. My students are not able to hear me give instructions.	5/18/2016 4:25 PM
5	More tables, more room, better PA system	5/18/2016 12:10 PM
6	If class sizes were at a smaller number our classrooms wouldn't be so over-packed. The size of the rooms is adequate for an appropriate number of students, but not for what we currently have.	5/18/2016 9:35 AM
7	Needs a better sound system. Especially for guest speakers and activities	5/18/2016 8:41 AM
8	Acoustics; design of food delivery. Would be great to have a kitchen and actual serving area.	5/17/2016 10:25 PM
9	The acoustics in this area is a challenge. It is old and needs updating.	5/17/2016 5:35 PM

Space Relationships	0.00% 0	13.04% 3	39.13% 9	34.78% 8	0.00% 0	13.04% 3	23	3.25

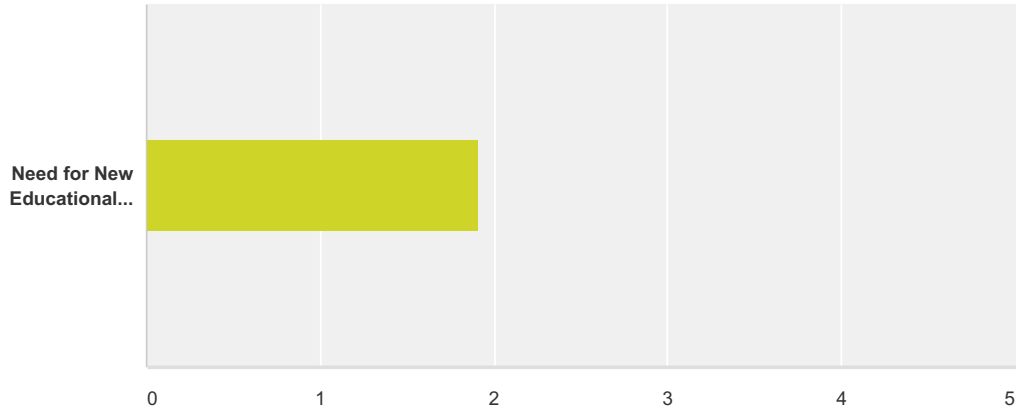

**Q26 Describe existing building space relationships that should be maintained and those that are missing.**

Answered: 6 Skipped: 26

#	Responses	Date
1	There is not enough space for offices or testing areas. No storage space for non-classroom staff.	5/24/2016 3:07 PM
2	It is so helpful to have Room 13, which is currently an empty classroom. It is used many times a day for various meetings, small group instruction, large group instruction, quiet testing area, etc. It is crucial to have a quiet work space like this available for use throughout the school day. We have several volunteers that work with children in this quiet space. Without that designated work space, our volunteers and students would be working in the busy hallway or in the library, which can be full of distractions when in use. Please maintain this quiet work space for us!	5/18/2016 10:56 AM
3	Need another square table	5/18/2016 8:41 AM
4	Keeping sections together.	5/17/2016 10:25 PM
5	By filling all classrooms with extra sections, we lose space for small group interventions outside of the classroom as well as space to create extra opportunities for children to succeed, such as a sensory room.	5/17/2016 7:58 PM
6	I'm not totally sure on this one. I think it is okay, but there are probably some challenges as to proximity.	5/17/2016 5:35 PM

**Q27 Rank the need for new spaces to support current or future programs that are not part of the existing facility.**

Answered: 23 Skipped: 9

# East Lansing Public Schools Facilities Assessment Staff Survey

## Q28 List and describe new spaces needed.

Answered: 17 Skipped: 15

#	Responses	Date
1	Small group work spaces and project areas. Larger art and music areas so these teachers have enough storage. The art room is overflowing!!	6/2/2016 4:51 PM
2	Small rooms or offices for itinerant staff. (i.e. Speech, reading, Special Ed) An open area or two for extended learning.	5/30/2016 8:04 PM
3	A sensory room for kids who need a physical break.	5/25/2016 11:54 AM
4	All of our rooms will be full next year. We will have limited space for meetings, small group instruction, and projects.	5/25/2016 9:29 AM
5	Office or testing space. Conference/staffing space. Alternate testing space.	5/24/2016 3:07 PM
6	Classrooms, conference room	5/24/2016 2:03 PM
7	If we are going to have class sizes of 28 or more students then the classroom sizes MUST be adjusted.	5/23/2016 8:28 AM
8	Sensory Room	5/18/2016 4:25 PM
9	Gym needs more room, more space for resource children and individual instruction, restrooms between art and music	5/18/2016 12:10 PM
10	We need additional space for small group work! We have fantastic retired teachers working with many of our learners. These students need a quiet, distraction-free area to work and benefit from the valuable time with these adults. We have MSU students who work with kids in addition to America Reads workers. On any given day in our building, we could have 5 or more adults that are seeking out a quiet space to work with kids. We are so thankful for the opportunities to have our students get more individualized instruction. In order for them to gain the maximum benefits, there need to be quiet work areas.	5/18/2016 10:56 AM
11	No more unless support personnel is also increased.	5/18/2016 10:04 AM
12	We need more rooms to accommodate all of our students and our growing enrollment.	5/18/2016 9:35 AM
13	We need a conference room for the daily meetings we have with parents and staff.	5/18/2016 7:49 AM
14	Conference Room	5/17/2016 10:25 PM
15	Sensory room Small group instruction room	5/17/2016 7:58 PM
16	Our classrooms are packed, so some rooms need to be bigger unless we decrease class size. This is not the best environment for children. It would be nice to have a computer lab; a sensory room, and appropriate rooms for DK and Kindergarten. Bathrooms should be updated too to meet needs of all levels.	5/17/2016 5:35 PM
17	With the number of volunteers and MSU students that come to our building, it would be practical to have spaces for them to work with students. Not enough small group space to work with students.	5/17/2016 5:20 PM

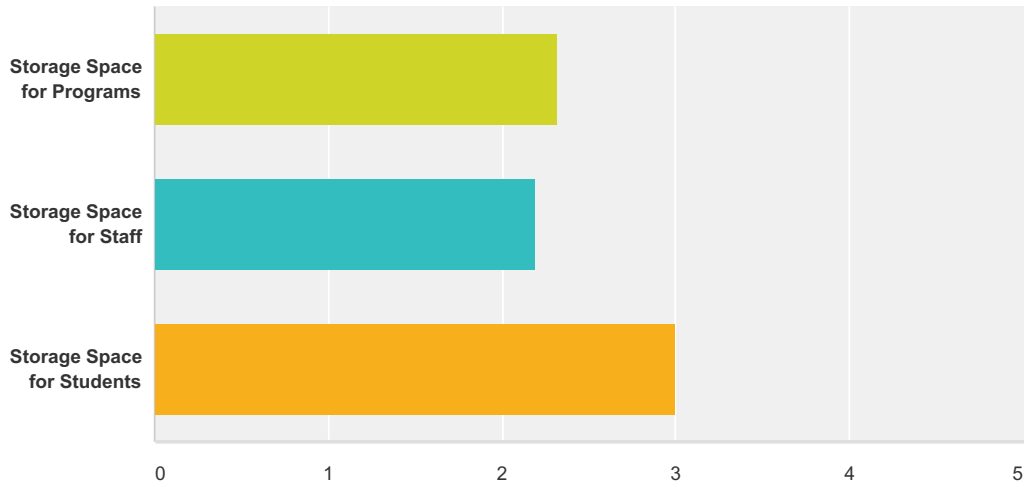

**Q29 List existing spaces that are no longer needed to support building curriculum.**

Answered: 1 Skipped: 31

#	Responses	Date
1	Tech room (where multi media was housed). Not sure beyond that.	5/17/2016 5:35 PM

**Q30 Rank the amount of storage for programs, staff and students. (Is there adequate space to store required materials and is it conveniently located)?**

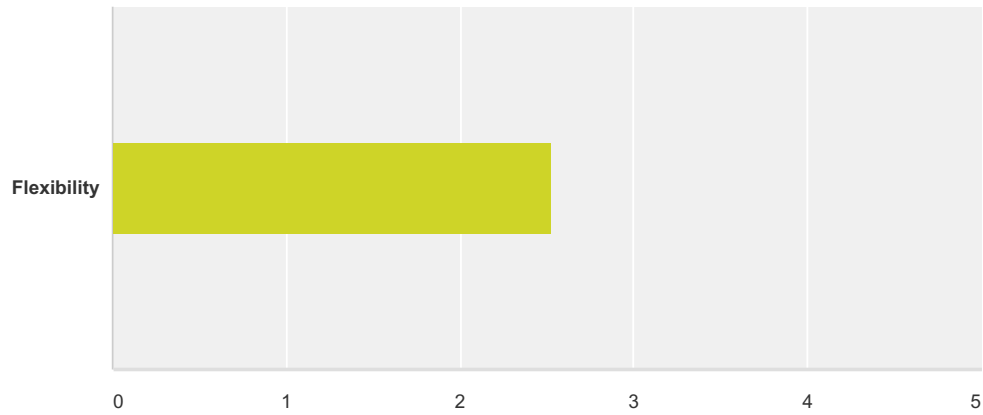

Answered: 23 Skipped: 9

	1 - Not Enough Space	2	3	4	5 - Plenty of Space	N/A or No Comment	Total	Weighted Average
Storage Space for Programs	30.43% 7	21.74% 5	26.09% 6	17.39% 4	0.00% 0	4.35% 1	23	2.32
Storage Space for Staff	36.36% 8	22.73% 5	18.18% 4	18.18% 4	0.00% 0	4.55% 1	22	2.19
Storage Space for Students	8.70% 2	13.04% 3	43.48% 10	30.43% 7	0.00% 0	4.35% 1	23	3.00

### Q31 Rank the building on flexibility.

Answered: 23 Skipped: 9

	1 - Not Flexible	2	3	4	5 - Very Flexible	N/A or No Comment	Total	Weighted Average
Flexibility	8.70% 2	21.74% 5	52.17% 12	0.00% 0	0.00% 0	17.39% 4	23	2.53

**Q32 What type of flexibility would be nice to add / provide?**

Answered: 3 Skipped: 29

#	Responses	Date
1	To be able to find a work space in buildings with significant need for support without having to sit in the teacher's lounge.	5/24/2016 3:07 PM
2	We are packed and all spaces are spoken for. We do not have space for anything extra.	5/17/2016 10:25 PM
3	Not sure on this, but it would be awesome to have a room that could be used for events/ science lessons/etc.	5/17/2016 5:35 PM

### Q33 What is the best thing about your current teaching space?

Answered: 11 Skipped: 21

#	Responses	Date
1	size of classroom.	5/25/2016 11:54 AM
2	It is large!	5/25/2016 9:29 AM
3	Don't have a space	5/24/2016 3:07 PM
4	Windows	5/23/2016 8:28 AM
5	I love the technology we added to classrooms. I also think the materials available in our district are exceptional compared to other districts.	5/18/2016 4:25 PM
6	My classroom has plenty of room and tables. It is very cohesive for student learning.	5/18/2016 10:56 AM
7	I'm happy to have a bathroom in the classroom even if it is old and smells like urine all the time.	5/18/2016 9:35 AM
8	Carpet	5/17/2016 10:25 PM
9	I have a bathroom on my classroom	5/17/2016 7:58 PM
10	My room is huge, so I have the ability and flexibility to do more than others.	5/17/2016 5:35 PM
11	I have one of the largest rooms in the building, which is nice for me and my students, but not for the other teachers that have much smaller rooms.	5/17/2016 5:20 PM

**Q34 What is the least favorite thing about your current teaching space?**

Answered: 11 Skipped: 21

#	Responses	Date
1	lockers and cupboards below sinks.	5/25/2016 11:54 AM
2	Little to no nature light since my windows are small and covered by an overhang. You can hear the class next door through the shared wall.	5/25/2016 9:29 AM
3	Don't have a space	5/24/2016 3:07 PM
4	small room, interior of building without windows	5/24/2016 2:03 PM
5	Too small.	5/23/2016 8:28 AM
6	The smell in the bathroom.	5/18/2016 4:25 PM
7	The lack of temperature control is my least favorite thing.	5/18/2016 10:56 AM
8	The white board mounted on top of an old chalkboard, lack of storage space.	5/18/2016 9:35 AM
9	Too small for the number of students in class	5/17/2016 10:25 PM
10	The temperature that is either too cold or too hot most of the time.	5/17/2016 5:35 PM
11	I only have 2 windows to a small courtyard.	5/17/2016 5:20 PM

**Q35 What is the greatest need in your classroom or space you use on a daily basis? (Identify your space and the need).**

Answered: 8 Skipped: 24

#	Responses	Date
1	Kids lockers need to be replaced!	5/25/2016 11:54 AM
2	-Better desks/chairs -Temperature	5/25/2016 9:29 AM
3	Have a very small office that does not hold my test kits, materials, or files. My phone has no reception in the office space.	5/24/2016 3:07 PM
4	Space and storage	5/23/2016 8:28 AM
5	Flexible seating arrangements.	5/18/2016 4:25 PM
6	If my class sizes remain as high as they are, we need more room to move about. Especially in the lower elementary rooms. I can barely fit enough tables in my room for all of my students. Right now I have three desks at the end of my tables because there was no more space to add another table for my children to use.	5/18/2016 9:35 AM
7	Just more space for students...they are pretty crammed at desks and sitting area. Also, shelving that allows accessibility to students of many materials to make young students more independent during workshop style learning.	5/17/2016 7:58 PM
8	Controlled temp. Cabinets that are clean and not broken. And a bathroom that is updated and cleaned. Also air quality since the vents in the bathroom are covered in dust and I'm the only one who has cleaned them.	5/17/2016 5:35 PM

1	This building need extensive renovation. The 1992 addition is still in good working order.	5/30/2016 8:04 PM
2	We have requested new lockers for many years now at Marble for kindergarten. This should be a priority!	5/25/2016 11:54 AM
3	Great group to work with. Don't understand why you move programs when they are functioning well. Seems like a waste of funds/resources and causes unnecessary staff stress.	5/18/2016 10:04 AM
4	Frankly, I like our building. It is not horrible but sure we could use some updates.	5/18/2016 9:35 AM
5	Our lockers are in terrible condition	5/17/2016 10:25 PM
6	SECURITY!!! Building appearance. Better heating and cooling systems with room controls. And fixing leaking roofs/and damaged tiles. New lockers for children. And better flow in the parking lot - get rid of the tennis courts (this is not a need here; it's a rarely used luxury).	5/17/2016 5:35 PM
