

PERMEABLE BOUNDARY REQUEST 2019-20 School Year

The Permeable Boundary (PB) Process is designed to enable students to request a different school than their designated Elementary School Boundary (ESB) School. PB applications may be completed at the ESB school. Due to current elementary construction projects, the approval of PB transfer requests will be limited. PB requests are not a guarantee but are considered as part of the district's enrollment process. Parents must provide transportation for PB students.

Request forms for the 2019-20 school year are due in the Principal's office of your child's current school by March 15, 2019. Before the end of the 2018-19 school year, principals and central administration will determine approval of PB requests. Acceptance of siblings in subsequent years is not automatic.
