Dear Parents/Staff:

Yesterday I provided a letter regarding recent district-wide water testing. The actual laboratory results of all 1,000+ samples can be view on the district website using the following link:

[http://elps.us/downloads/district - miscellaneous documents/water testing results 4-20-16.pdf](http://elps.us/downloads/district_-_miscellaneous_documents/water_testing_results_4-20-16.pdf)

The table below identifies the 31 devices that tested at or above the Action Level of 15 parts per billion (ppb) or 0.015 milligrams per liter (mg/L) and has been updated to include the corresponding sample number.

Today the District met with representatives of the Ingham County Health Department (ICHHD). If parents want to have their child(ren) tested for lead they should contact their pediatrician or ICHHD.

Until appropriate remedies can be implemented for the identified 31 devices they will be out-of-service.

We will continue to share more information as it becomes available.

Sincerely,

A handwritten signature in black ink that reads "Robyne Thompson, Ph.D." in a cursive style.

Robyne Thompson, Ph.D.
Superintendent
