IMMA	14,146.87
Checking	22,611.16
total	36,863.03

- First motion by Rhiannon Worgess-Carveth and second by Lisa Farzam.

Teacher's Report: Tracey

- New Pavilion- Outdoor learning space. Received a sketch this week. May have seating. Small water feature to use for science projects and other learning. Roof will be teared to match front of building. Kids could take small stool with them but want an open space for kids to learn.
- High school teacher is working with 1st grade class on outdoor learning
- Making sure that recess is not taken away from kids so the board pushed to make sure that this can't happen. It was approved at last night's board meeting. More information to come. Important to get elementary aged kids outdoor.
- Excited for March is reading month. So excited for the books we purchased
- Teachers loved the lunches during conferences. All so happy to get down and get lunch each conference day
- The board is going to take action after spring break on masks.
- Curb appeal. Will be getting more permanent fencing and then shrubs and other things to follow. Hoping to get planters in front entrance and having mums in fall and other festive things each season.
- Safe routes looking into entrance and exit from school. It's a blind right turn and parents are very concerned
- Need to address the blacktop and cracking on path to school from Highgate in heritage hills neighborhood. Drainage is poor, Tracey to go back and mention these issues.

Principal's Report: With teacher report

DSC Report: Rhiannon Worgess-Carveth

- Outdoor learning centers the bids all approved
- Christian Polaski gave update on technology stuff in the district. Last year was 1 to 1 with devises. Now not because some of laptops at high school are being phased out. Partnership with google to use chromebooks.
- Marble did a coat and boot drive. Had great turn out and have things to share if we need
- Red cedar does not have enough volunteers to get their board going
- Green elementary raised \$4800 with just asking at their last fundraiser.

Committee Reports/Fundraising Opportunities:

- **Marco's:** very little for February due to a snow day
- **Amazon Smile:** Getting closer. We are showing on the pub 72 list but still not with amazon, hoping soon
- **Mileage Club:** Starts April 11th with the first day on the 13th. 160 kids signed up now. Sparrow will be sending things out. Need to measure and find a safe space because the black fence created a trench. Julie to measure and mark. Julie to head into the classrooms to explain to kids what mileage club is and what to do on that Wednesday.
- **New Business:**
 - o **Fundraiser** – Slow right now. At \$944. Hoping for a push at the end. Will do another half sheet reminder and will keep posting. Any ideas?
 - o **March is reading month-** Books in the library with a sticker and kids signatures for each book. The decorations and voting for the book with the brackets is going well.
 - o **Mission kindness:** For next Thursday, we have everything we need for snacks and popcorn reward. Have a few volunteers to help with popcorn, so all set.
 - o **Book fair-**
 - Need to come up with a schedule for when the kids can come into shop? April 11-15. Tracey and Julie to sit down and look at specials and then send up sign up
 - Shannon to be there to help with the adult that is volunteering
 - Kids will come into to view the books.

- Letter and information sheet on e-wallet to be sent home before spring break. Include info in e-blast as well.
- **Slate for next year's board:** For next year thinking of sending volunteer information to gauge interest. Need to present the slate in April to vote on in May
 - Thinking of focusing on 4 big events for next year. Donation event in the fall-fun run. Fall harvest event. Winter event with science. Spring event/end of year. Art night would be so fun. Just a few ideas that were brought up.

Motion to adjourn: First by Rhiannon Worgess-Carveth and second by Lisa Farzam .

Next meeting: April 19th, 2022
