**Trojan T.U.R.F.**  
- Trust, Unity, Respect  
and Fairness Trojan  
T.U.R.F is a philosophy  
utilized in all areas of  
interaction at East Lansing  
High School. Research  
indicates that when a  
school environment is  
positive and predictable,  
students feel safe, have  
better academic  
performance, higher test  
results and make better  
behavior choices. Schools  
also show a gain in  
instructional time and a  
reduction in discipline  
referrals and out of school  
suspensions.

## Student Services

Counselor Case Load is determined by the students last name.

Ms. Scott A - D / Mr. Barrons E - K / Mrs. Jockheck L - R / Ms. Coss S - Z

**Schedule Changes** - Schedule changes for the fall semester are now done.

**Counseling Appointments** - Students and parents wishing to make an appointment with the counselors should either stop by or call Student Services (517-333-7509) to arrange a time and date that works.

**Senior Excel** - Counselors have been making visits to classrooms to answer questions related to the college application process.

**College Visits** - We have many college representatives that are anxious to meet East Lansing students. All of the dates that the colleges are scheduled to make a visit to EL are listed on the college information tab at the student services web page.

**Direct to College Applications** (ex. CMU, LCC) – Students need to visit college websites and start filling out their application on-line. Once a student is ready for ELHS to send his/her transcript, he/she must request the transcript sent through parchment (on-line transcript service).

**Common Application** – Students may need to visit [www.commonapp.org](http://www.commonapp.org) to start their college applications. Common app has a listing of all of the participating colleges on the main page of their website. A piece of the required common app will require that the student list his/her counselor. Once filled out, this generates an e-mail to his/her counselor that gives the counselor access to the application to fill out the recommendation and transcript. Once a

student is ready for his/her counselor to fill out the recommendation page and send his/her transcript to common app, students should submit a resume to his/her counselor. Once received, the student's counselor will be able to complete their portion of the common app.

**Letters of Recommendation** – When a student asks for a letter of recommendation to be written on his/her behalf, it is always wise for the student to have a resume or activities page handy to give to the recommender. This allows the person writing the letter to incorporate the students' other activities into the letter of recommendation.

**Scholarships** – A great resource for available scholarships is the scholarship area at the East Lansing High School Student Services page. Every opportunity the Student Services office receives is placed in this area for students to view. It is worth checking out!

**FAFSA** – The FAFSA (Free Application for Federal Student Aid) for the Class of 2023 will open on October 1, 2022. Student Services will be hosting financial aid workshops to help families understand the FAFSA and financial aid. Stay tuned!

## Student Accident Insurance

---

### *Student Accident Insurance*

*The district will again extend the opportunity for parents to secure insurance coverage for their children, which covers accidents while attending school and while traveling to and from school for regular day school sessions as well as 24-hour coverage.*

*Since the school district does not carry student accident insurance, we encourage parents to purchase this insurance. The school district is not serving as an agent. We have consented, however, to help the agent keep the cost of the policy at a more reasonable figure by making applications available to parents.*

*This insurance offers additional coverage if you already have insurance. For those who do not have insurance coverage, this offers you the option of obtaining insurance at a reasonable cost. To see a brochure and application online, visit [www.1stAgency.com](http://www.1stAgency.com). From there, go to "Find Your School"; select the state and insert SCHOOL DISTRICT NAME; hit "Go". You can download and print a brochure enrollment form and enroll via U.S. mail OR enroll online with a credit card.*
