# Student Services – November 2021

Spring 2022, all 9<sup>th</sup> and 10<sup>th</sup> grade students will take the PSAT, and all 11<sup>th</sup> grade students will take the MME which includes the SAT, M-Step and WorkKeys. While these are statemandated tests, they allow our 9th /10th grade students to experience a standardized testing situation before taking the SAT. The 11th grade SAT state mandated test allows all students to have a college reportable score, which can open up the college door for our students.

Students should make themselves a student account at the [www.collegeboard.com](http://www.collegeboard.com) (SAT/PSAT). This is where they will manage their test results, have access to test prep, and have access to career and college exploration. The college/career exploration features are top notch... and can be very helpful for students trying to figure out where their next journey will take them.

Khan Academy offers free SAT test prep/practice for all students. Visit [satpractice.org/k12](http://satpractice.org/k12) to get your students started. The great thing about Khan is that you can link your Khan account with your College Board account. This helps with test prep!

The FAFSA is now open for the graduating class of 2022 to fill out. The FAFSA determines the amount of financial aid (loans, grants, scholarships, etc) that your student may be eligible for. The deadline for Michigan students to receive optimal consideration is March 1<sup>st</sup>, 2022..... but don't wait until then.

Please visit the student services website at <https://elps.us/our-schools/east-lansing-high-school/student-services/college-informaiton/college-and-vocational-visits/>. We list all of the colleges and universities that are coming to East Lansing High School to visit with our students. This visits typically are held during excels.... unless otherwise listed

Please visit the student services website and click on scholarships. All scholarshipsthat we receive are listed for students to check out. <https://elps.us/our-schools/east-lansing-high-school/student-services/scholarships/>

For school that are not on the common app, students must request transcripts through [www.parchment.com](http://www.parchment.com). All transcripts requested through Parchment are automatically sent out by Ms. McGraw. Common Application requests still go directly to and through the counselor.

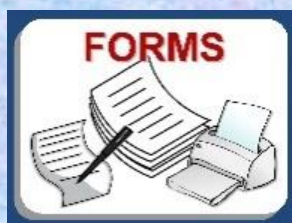

Counselor Appointments - Getting in to see your counselor is very easy here at East Lansing High School. Students just need to stop into student services to make an appointment.

Be sure to visit the Student Services website for information about colleges/programs visiting East Lansing High School, college open houses, testing dates and scholarship information. To access the site, go to [elps.us](http://elps.us) and choose East Lansing High School under the school's menu tab. From the high school site, you can access Student Services information from the main page. <https://elps.us/our-schools/east-lansing-high-school/student-services/>

Student Services highly recommends that seniors have their college applications completed and submitted by October 31<sup>st</sup>. Many colleges/universities use a November 1<sup>st</sup> date as their early application deadline for optimal application consideration.... so setting October 31<sup>st</sup> (Halloween) as their personal deadline will ensure that they submit their application on time.

Is your student looking for a work permit, a free-reduced lunch form, etc? These forms are available in student services. Students are welcome to take them right from the rack near our front door.

Seventh semester transcripts will be available for students in the graduating class of 2022 at the end of January. Many colleges will request 7<sup>th</sup> semester transcripts from our students. After winter break, students may request their 7<sup>th</sup> semester transcripts through Parchment.com for noncommon app schools.

The Wilson Talent Center (WTC) will host an Open House on Wednesday, December 8, 2021 from 4:30-7:30 pm for prospective students for the 2022-23 school year. Current 10<sup>th</sup> and 11<sup>th</sup> grade students who are interested in career & technical education programs are encouraged to attend. Students can earn high school credit, free college credit as well as state and national certifications. In an effort to limit the number of families in a particular program at the same time due to COVID-19, families are being asked to select a timeslot for the program(s) they wish to visit. You can sign up for a timeslot at <https://tinyurl.com/wtcopenhouse>. The WTC is located at 611 Hagadorn Road in Mason. Questions can be directed to: [wtcoutreach@inghamisd.org](mailto:wtcoutreach@inghamisd.org).

**Homecoming Parade** - Thank you to everyone that volunteered their time and vehicles for the 2021 ELHS Homecoming parade. Please accept our sincere thanks and gratitude. Without your assistance the parade could not take place. Thanks also to our community and neighbors for your continued support of our students.

## During the Test

You will be allowed to have only these items on your desk:

- A test book
- An answer sheet

- [An approved calculator](#)—during one of the math sections only
- *Turn Off All Electronic Devices*

## STUDENT ACCIDENT INSURANCE

---

The district will again extend the opportunity for parents or guardians to secure insurance coverage for their children, which covers accidents while attending school and while traveling to and from school for regular day sessions as well as 24-hour coverage.

Since the school district does not carry student accident insurance, we encourage parents or guardians to purchase this insurance. The school district is not serving as an agent. We have consented, however, to help the agent keep the cost of the policy at a more reasonable figure by making applications available to parents or guardians.

This insurance offers additional coverage if you already have insurance. For those who do not have insurance coverage, this offers you the option of obtaining insurance at a reasonable cost.

To see a brochure and application online, visit [www.1stAgency.com](http://www.1stAgency.com). From there, go to Find Your School; select the state; hit GO and then find your school district. You can enroll online with a credit card.
