Trojan T.U.R.F. - Trust, Unity, Respect and Fairness

Trojan T.U.R.F is a philosophy utilized in all areas of interaction at East Lansing High School. Research indicates that when a school environment is positive and predictable, students feel safe, have better academic performance, higher test results and make better behavior choices. Schools also show a gain in instructional time and a reduction in discipline referrals and out of school suspensions.

East Lansing Public Schools

November 15, 2019

It's hard to believe we've completed the first marking period and Thanksgiving is almost here! We want to convey our heartfelt gratitude for the support we continue to receive from our parents and community. So much of our students' success is a result of your ongoing support.

The staff at East Lansing High School remains steadfast in providing instruction to spark our students' imagination, critical thinking, collaboration and passion for learning. Thank you ELHS staff for your continued focused commitment to providing sound educational experiences for all students and for supporting the values that represent a strong, diverse, engaging, vibrant learning community.

The ELHS and MacDonald Middle School orchestras combined for an outstanding performance on October 30. Our students impressed the audience with a variety of musical pieces including one written by former East Lansing Public School teacher and guest performer, Jeff English.

Trojan TURF is the high school's positive behavior support program. TURF is the acronym for Trust, Unity, Respect, and Fairness. Through positive referrals presented to the office, staff members identified students exhibiting these qualities. So far in this school year more than 100 students have received positive referrals. Of these students, over 25 will have the opportunity to randomly select for various prizes such as gift cards, treats, and tickets to dances and sporting events. Once recorded and raffled, the prizes will be handed out to students at school after their name is announced to the student body. This year Trojan TURF also identified and rewarded students who exhibit PERFECT attendance. In October we recognized over 200 students without an absence or tardy recorded in Power School.

Lastly, I would like to recognize our students who participated in fall activities. They have achieved many awards, including opportunities to participate on the collegiate level, and various championships. We are so proud of our students, coaches and advisors for continuing the East Lansing High School tradition. Nice work ELHS family!

We look forward to another AWESOME performance from our student cast members in the fall play, Clue. The play runs from November 21 - 24. For more information please visit our website at <https://elps.us/>.

Your support is critical to achieving our goals. We look forward to continuing our educational journey together!

Andrew Wells, Principal

Student Services - November 2019

Admissions Decisions - Many universities will be releasing admissions decisions to students over the holiday break. In many cases, students will receive an offer of admission which should be a cause for celebration.

In other cases, students may receive notification that the decision has been deferred and that the University would like to see grades from the 7th semester. If your student gets this notification.... **it is not a cause for panic.** The University is simply interested in taking into consideration the student's 1st semester senior grades as part of their admissions decision process. This is a very common practice as Universities are making sure that they accept students that are a good fit for their incoming student body.

Students may also receive a letter from the University of their dreams that does not offer up admission. Often times this news does not settle well with our teens, especially when all of their envisioned future plans have them strolling through that campus next fall. We would like to encourage families that have this happen in their home to remind their students that a denial from this particular University does not mean they have less of a chance of living a happy life. This is a wonderful opportunity for them to build a great life at another school. Plan B (or C, or D, or E) can bring just as many great opportunities as what they hoped Plan A would bring.

Seventh Semester Transcripts - Seventh semester transcripts will be available for students in the graduating class of 2020 at the end of January. Many colleges will request 7th semester transcripts from our students. After winter break, students may request their 7th semester transcripts through parchment.com for non-common app schools. Students needing a transcript attached to their common app will need to send an email requesting that to their counselor. Counselors require these emails as it allows us to track these requests.

Dual Enrolled Students – 1st Semester -Once you have completed your dual enrolled course, you are responsible for turning in a copy of your final grade to Ms. McGraw, ELHS registrar.

Dual Enrolled Students – 2nd Semester -It is your responsibility to make sure that we have the correct course on your paperwork that you end up taking. If you change your mind and don't let us know, your family will receive a bill for the full amount of tuition for the course.

FAFSA - The FAFSA is now open for the graduating class of 2020 to fill out. The FAFSA determines the amount of financial aid (loans, grants, scholarships, etc) that your student may be eligible for. The deadline for Michigan students to receive optimal consideration is March 1st, 2020..... but don't wait until then.

Counseling Appointments - Making an appointment with a counselor just got a little bit easier! We are so excited to offer online appointment scheduling..... simply visit:

<https://elps.us/our-schools/east-lansing-high-school/student-services/elhs-student-services-request-an-appointment/>.

Appointments can also be made by emailing your counselor or by stopping in and making an appointment in student services.

Testing - In April, all 9th and 10th grade students will take the PSAT, and all 11th grade students will take the SAT. While these are state mandated tests.... they do allow our 9th/10th to experience a standardized testing situation before taking the SAT. The 11th grade SAT state mandated test allows all students to have a college reportable score, which can open up the college door for our students.

College Board Account - Students should make themselves a student account at the www.collegeboard.com (SAT/PSAT). This is where they will manage their test results, have access to test prep, and have access to career and college exploration. The college/career exploration features are top notch... and can be very helpful for students trying to figure out where their next journey will take them.

Free SAT Test Prep - Khan Academy offers free SAT test prep/practice for all students. Visit satpractice.org/k12 to get your students started. The great thing about Khan is that you can link your Khan account with your College Board account. This helps with test prep!

College Visits - Please visit the student services website at the following link:

<https://elps.us/our-schools/east-lansing-high-school/student-services/college-information/college-and-vocational-visits/>

We list all of the colleges and universities that are coming to East Lansing High School to visit with our students. These visits typically are held during excels... unless otherwise listed.

Scholarships - Please visit the student services website and click on scholarships. All scholarships that we receive are listed for students to check out.

<https://elps.us/our-schools/east-lansing-high-school/student-services/scholarships/>

Forms - Is your student looking for a work permit, a free-reduced lunch form, etc? These forms are available in student services. Students are welcome to take them right from the rack near our front door.

More News-November 2019

Thank you to everyone that volunteered his or her time and vehicles for the 2019 ELHS Homecoming parade. Please accept our sincere thanks and gratitude. Without your assistance the parade could not take place. Thanks also to our community and neighbors for your continued support of our students.

A note from the Attendance Office: Absences can only be excused within 48 hour of the absence. A note in your student's planner is the easiest way to communicate any prearranged appointments. You can also e-mail mary.fata@elps.us or call the attendance line at 517-333-7567 and leave a message.

German Club is heading to Chicago's Christkindlmarket on Saturday, November 23rd. Students who registered with Herr Orange or Herr Filter should pick up the itinerary from their classrooms.

School is closed on Wednesday, November 27th, Thursday November 28th and Friday November 29th. Have a wonderful break!

Michigan Department of Treasure has a publication available in the Student Service Office to assist with financial aid and affording college in Michigan.

It's a dark and stormy night, and you've been invited to a very unusual dinner party. Each of the guests has an alias, the butler offers a variety of weapons, and the host is, well . . . dead. So whodunnit? Join the iconic oddballs known as Scarlet, Plum, White, Green, Peacock, and Mustard as they race to find the murderer in Boddy Manor before the body count stacks up. Based on the cult classic film and the popular board game, Clue is a madcap comedy that will keep you guessing until the final twist.

Maximize your financial aid and don't make these... **COMMON MISTAKES**

Not Completing the Free Application for Federal Student Aid (FAFSA)

All State of Michigan financial aid programs require a student to file the FAFSA. By not completing the FAFSA, you are missing the opportunity to qualify for what could be thousands of dollars to help you pay for college. The FAFSA determines if you are eligible for need-based financial aid and is the application used for Federal Direct Loans.

Not Using the Correct Web Site

The official FAFSA Web site is fafsa.gov. You never have to pay to complete the FAFSA.

Not Getting a FSA ID Ahead of Time

To log in and sign the FAFSA online, you must use a FSA ID. Register for a FSA ID at fsaid.ed.gov.

Waiting to Fill Out the FAFSA

It is important to fill out the FAFSA early. You may complete the FAFSA as early as October 1. Students are required to report income information from an earlier tax year. For example, on the 2019-20 FAFSA, students (and parents, as appropriate) will report their 2017 income information.

Not Filing the FAFSA by the Deadline

The State of Michigan deadline for the Michigan Competitive Scholarship (MCS) and Michigan Tuition Grant (MTG) is March 1.

Not Reading Directions Carefully

Too many students see delays in their financial aid for simple mistakes that could have been easily avoided.

- **College Grade Level**
Question 29 on the FAFSA asks that you select your grade level in college from July 1, 2019 through June 30, 2020. If you are currently a senior in high school or will be a first-time college student, select "1st year, never attended college."
- **Certificate/Degree**
Question 30 on the FAFSA asks that you select the degree or certificate that you will be working toward during the 2019-20 school year. If you are currently a high school senior, do not select "graduate/professional degree."
- **Confusing Parent and Student Information**
Remember that the FAFSA is the student's application. When the FAFSA refers to "you" or "your," it's referring to the student.
- **Entering the Wrong Name**
You must enter your full name as it appears on official government documents (no nicknames). Your full name should also be reported the same way on your SAT.
- **Entering the Wrong Social Security Number (SSN)**
To avoid delays in processing your FAFSA, make sure that you have entered the correct SSN.
- **Amount of Income Tax**
Income tax is not the same as income, taxes withheld, or taxes due. It is the amount of tax that you (and if married, your spouse) paid on your income earned from work.
- **Entering the Wrong Address**
Make sure you enter your permanent address, not your temporary or summer address. To be considered for State of Michigan financial aid, you must be a resident of Michigan (which needs to be reported on your FAFSA).
- **Citizenship Status**
Students must be a U.S. citizen or eligible non-citizen to receive Federal and State financial aid. Question 14 on the FAFSA asks you to report your citizenship status. Do not leave this answer blank.

Not Reporting Parent Information

Even if you fully support yourself, pay your own bills, and file your own taxes, you may still be considered a dependent student for Federal student aid purposes; therefore, you'll need to provide parent information on your FAFSA. Parent information will need to be provided if you do not meet the criteria for independent status. To see if you qualify for independent status, visit www.studentaid.ed.gov (Dependency Status).

Listing Only One College

You can add ANY college you are considering to your FAFSA, even if you aren't sure whether you'll apply or be accepted. It doesn't hurt your application to add more schools. **Don't forget to add the Michigan college you plan to attend as your FIRST school code listed on the FAFSA.** If you qualify for State aid, only the institution you list first on your FAFSA will be notified of your eligibility for an award. Log in to your MiSSG Student Portal account at www.michigan.gov/missg or contact MI Student Aid at 1-888-447-2687 when your school choice changes.

Not Signing the FAFSA

Many students fail to actually sign the FAFSA with their FSA ID and submit it.

Not Completing the TIP Application Before the Deadline

For TIP eligible students, the TIP application must be completed by August 31 of each student's high school completion year. Otherwise, all TIP benefits are forfeited permanently.

Not Logging into MiSSG Student Portal

MI Student Aid offers an online Student Portal where students can log in and update their contact information, change their college choice, and view their State aid eligibility and payments. To access the MiSSG Student Portal, visit www.michigan.gov/missg and click the "Student Portal" button. First-time users must have their SSN and a FAFSA on file or a TIP application to create an account. To begin, click "Sign Up" and create a username and password.

No SAT Score on Record

To be considered for MCS, MI Student Aid must have your SAT record linked with a SSN. To verify that your SSN is on file, please contact our Customer Care Center at 1-888-447-2687.

If MI Student Aid did not receive your score from SAT, you should complete the following steps:

1. Make sure you checked the box on your SAT allowing permission for your score to be released.
2. Contact...
 - a. your high school for permission to fax your SAT score to MI Student Aid at 517-241-5835, or;

- The average award amount is \$1,000
