ELHS NEWS

INTRODUCING MS. WOLMA

Hello everyone! My name is Ms. Wolma and I am so excited to be the new College Adviser here at East Lansing High School! I am a recent MSU Grad with a Bachelors of Science in Environmental Biology and am currently serving as an AmeriCorps VISTA with the Capital Area College Access Network. I will be at the High School full time through the end of the year to help increase postsecondary access among our student body. I hope to meet with all seniors this year to help create a post-graduation plan, and I know this looks different for each person. So, I will be helping students pursue 4-year degrees, 2-year to degrees, apprenticeships, trade programs, certificates, and beyond! Keep an eye out for fun, informative events and opportunities that I am planning. These may include giveaways, application/financial aid workshops, campus visits, and more! I am so excited to get to know the student and parent communities here at ELHS, so feel free to reach out using my email address (chloe.wolma@elps.us), or make an appointment with me in the Student Services office. I look forward to meeting you all!
