The School District will be responsible for 1/6 of the state foundations allowance per semester course. Parents will be responsible for the remainder of the actual cost of tuition and fees charged by the postsecondary institution as well as all books and materials. Parents will pay the balance of the tuition directly to the institution. In the case that the institution requires payment in full prior to the school portion being paid, the institution will reimburse the parent after the school has paid their allowance. **Additionally, if students sign up for any course other than those which the school approved (as listed below), the family will be responsible and billed for the entire cost of the course.** The post-secondary institution will bill the district directly for the determined allowance at: East Lansing School District, Business Office, 504 Burcham Drive, East Lansing, MI 48823. The district will not reimburse the student or their family. Questions may be addressed to the Business Office (517) 333-7434. This application form must be filled out for each semester the student requests Dual (Postsecondary) Enrollment.

Students that take dual enrollment coursework at a post-secondary institution (Lansing Community College, Michigan State University, etc) will receive the grade issued by that institution. The grade will be calculated into the students grade point average using an unweighted scale. East Lansing Public Schools does not change a grade issued by another institution nor can it alter the point value associated with the grade and how it is applied towards a student's Grade Point Average.

If a student takes the dual enrollment course as part of a their six-period school day, the grade will be reflected on a student's high school transcript and will be calculated as part of a student's grade point average. If a student takes and pays for the dual enrollment course as an additional class outside of the school day, it is at the family's discretion if they want the student's course and grade to be reflected on the transcript.
