"How to Excuse Your Child from School" A Survival Guide

Dear Parents and Guardians,

We know that life happens. Maybe your high schooler woke up with a mysterious ailment, perhaps a sudden case of "I-don't-want-to-go-to-school-itis," or maybe there's a legitimate reason (like an unexpected visit from aliens). Whatever the reason, we're here to guide you through the magical process of excusing your child from school. All calls or emails must be sent within 48 hours to be able to excuse your student. **New this year, students need to provide appropriate documentation (i.e., doctor/dentist note) to update their attendance code to "MED" and not count toward their overall attendance total. Please see more information on the updated ELHS attendance policy [here](#).**

Option 1: (NEW) Enter Attendance in POWERSCHOOL *this is the preferred method to excuse your student*

- Instructions found [HERE](#)

Option 2: The Ancient Art of the Phone Call

- Please call the ATTENDANCE LINE at 517-333-7567. Please DO NOT call the main office line.
- Let us know how many days your student will be out.
- Tell us your students name. Speak slowly and clearly. Maybe add in the spelling of the last name if it's a tricky one. (trust me, I have one of those tricky names)
- All calls will be cleared periodically throughout the day and by 4:00 at the latest. So, you may get a notification your student is unexcused if we haven't gotten to it yet. We appreciate your patience.

Option 3: The Mystical Email

- Email Mary Fata at Mary.Fata@ELPS.US
- All emails will be cleared by 4:00

Option 4: The Old School Doctor's Note

- Have your student bring in a doctor's note when they come back to school and we will get those absences excused toot suite!

Please know that the end of the school day is very busy in the office. If you try to call to pick up your student 10-15 minutes early, we may not be available to answer your call.

**With lots of thanks,
The Attendance Team**

FEBRUARY IS...

TEEN DATING VIOLENCE AWARENESS MONTH

Staff from the East Lansing Public Schools Health Center have several events planned throughout the month of February to increase awareness and education around healthy relationships.

Events/activities include:

- **Friday Facts during announcements, highlighting important data about teen dating violence**
- **Healthy relationships education in health classes**
- **Interactive table with “conversation hearts” for students to fill out focusing on respect in relationships**
- **Take home baggies with relevant local resources, candy, and orange ribbons to raise awareness**

MYTH: “It can’t or won’t happen to my child.”

FACTS:

- Boys, as well as girls and nonbinary teens, can be victims of dating violence.
- It can happen to teens in relationships of all orientations, including straight, lesbian, gay, and queer relationships.
- It can occur at any time in a relationship —those just starting or ones that have been going on for a while.

There are many reasons why teens don't tell their parents or friends about the violence they are experiencing.

They may:

- Feel embarrassed, ashamed, or afraid of getting hurt.
- Be convinced it is their fault and do not know that it is abuse.
- Feel afraid they will be forced to break up or of losing privileges.
- Feel certain that being in a relationship is the most important thing in their life.
- Confuse jealousy with love, and think this is how it should be.

Talk to your teens about healthy relationships. If you have questions or would like additional guidance, check out the resources below or reach out to the health center directly (517-827-6290).

RESOURCES

- **MSU Center for Survivors:** A safe and confidential space for people who have experienced sexual assault, dating violence, stalking, or harassment. They offer support, counseling, and advocacy to help survivors feel heard, supported, and empowered.
- **End Violent Encounters, Inc:** An organization that supports people affected by dating violence, domestic violence, and sexual harm. EVE provides help, resources, and education to support safety, healing, and healthy relationships.
- **The Trevor Project:** A national organization that supports LGBTQ+ youth who are feeling overwhelmed, unsafe, or in crisis. Trevor offers free, confidential support 24/7 by phone, text, or chat.

Baptist Church & 32nd Street Theatre

Dear ELHS Community,

In our continued effort to support student growth and success, we are placing a renewed focus on punctuality—a critical skill that will serve our scholars well beyond high school. To reinforce this, we are reinitiating lunch detention as a consequence for excessive tardiness.

How This Will Work

- Each week, a tardy report will be generated through PowerSchool.
- Students who are tardy to class **at least 20% of the time or more than 4 class periods in a week** will be required to serve detention the following week.
- Students will be notified via their School Gmail, and are expected to check their email daily.

Detention Details

- Detentions will be held weekly on Tuesdays during lunch
- Missed Detention will result in In School Suspension on The following day
- Continued noncompliance may lead to further disciplinary actions, including but not limited to;
 - Attendance Intervention
 - Loss of school privileges

Attendance Expectations

- Students are expected to be in class on time every day.
- Arrivals more than 10 minutes late(UNV_UT) will be marked as absent, as stated in the student handbook.
- Students who arrive after the bell will be marked Tardy (UT)
- Students should be physically present in the assigned classroom as reflected in PowerSchool, either with the teacher of record or a designated substitute.

If you have any questions, please contact us at (517) 333-7500.

Thank you for your partnership in promoting responsibility and accountability.

Sincerely,

ELHS Administration
