2024–2025 TESTING OUT INFORMATION

AND APPLICATION FORM

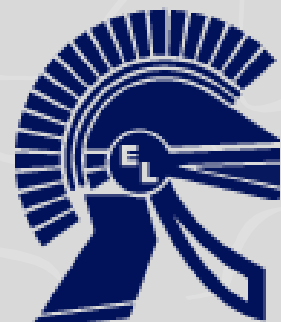

Test out dates will be Wednesday, August 14th and Tuesday, August 20th 2024.
Students may take up to two tests per date.
The PE test-out requires two sessions.

Testing out sign up must be submitted by Monday, May 13th 2024. Use [THIS LINK](#) to fill out the form.

Study materials will be available to pick up from the school by parents or guardians on Monday, June 3rd - Wednesday June 5th, 2024 between the hours of 8:00am - 11:00am.

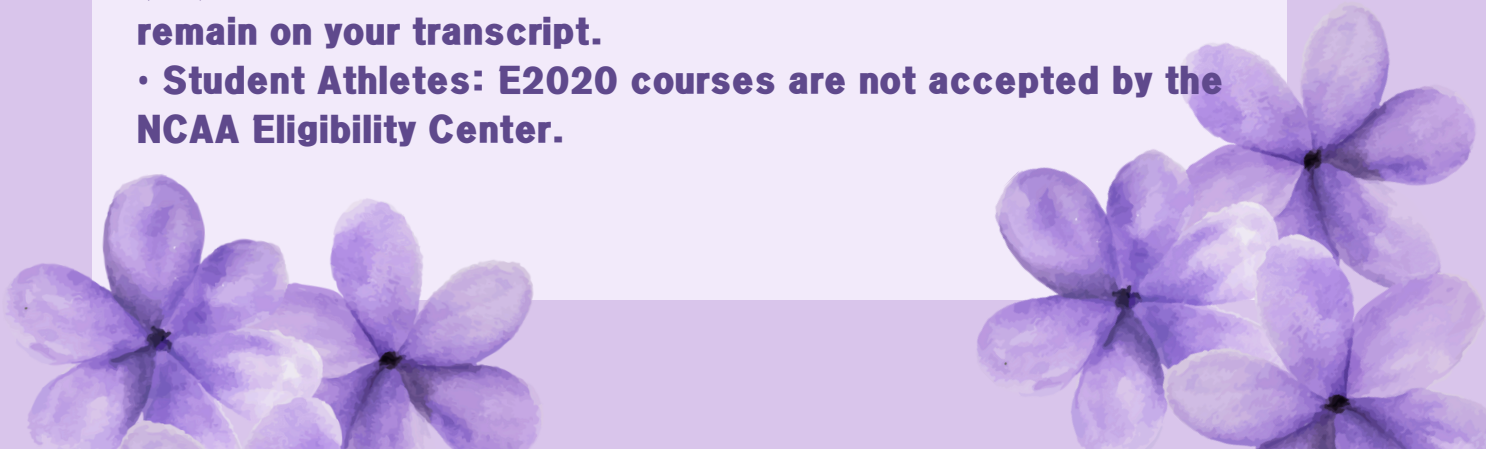

As a reminder, if your student decides to attempt to test out of a class, they must score a 78% or higher to receive credit for that class.

ELHS Application for **Summer Credit Recovery.**

East Lansing High School will be offering credit recovery June 12 – July 16 (no class the week of July 3). The first two weeks will be in person with the final two weeks being virtual. This session will be supervised by a certified ELHS teacher. The curriculum is Edgenuity, an online credit recovery system. Only courses previously failed may be recovered.

- There is no cost for students to take summer credit recovery this year.**
 - Students must attend the in – person session days unless an exception has been made for an extenuating circumstance and approved by the teacher.**
 - In Person class time is 10 am – 12 pm Monday – Thursday. A second afternoon session from 1pm – 3pm may be added based on demand.**
 - Classes must be completed (final taken) by the end of the session.**
 - The deadline to complete this form to request credit recovery is Wednesday, June 7th, 2022. Acceptance will be based on student need and space availability.**
 - Successfully completed courses will appear on your transcript with a passing grade ('S') and the failing grade ('E') will be removed from your GPA calculation, but will remain on your transcript.**
 - Student Athletes: E2020 courses are not accepted by the NCAA Eligibility Center.**

ELHS Guardians

Dear ELHS Families,

We understand that circumstances may change, and plans may evolve. Therefore, we kindly request your cooperation in notifying us if you have decided not to return to East Lansing High School in the fall.

We appreciate you informing us at your earliest convenience. Your prompt response will assist us in making necessary adjustments to class schedules, resource allocation, and other administrative matters. Additionally, it will enable us to provide accurate information to students on waitlists for courses.

If you have any questions or concerns about this process, please do not hesitate to contact our Registrar at bonnie.mcgraw@elhs.us or 517-333-7500.

We appreciate your cooperation in this matter and thank you for your attention to this important request. You may use this [withdraw form](#) if you plan to withdraw your student.

Sincerely,
The Office of the Registrar

FUTURE SPARTAN ENGINEERS

2024 SUMMER CAMPS

HIGH SCHOOL ENGINEERING INSTITUTE

WHO

Both U.S. and International students entering grades 10th-12th in Fall 2024 as well as recent graduates

WHEN

Residential. Session 1: June 23-27, 2024, Session 2: July 7-11, 2024

WHAT

This residential program is designed to give in-depth experiences in all engineering majors. Each day students will learn about a major and spend time with an engineering faculty member, a graduate student, an undergraduate student engaged in short lecture, demonstrations, hands-on activities, team-based problem solving, and tours. Presentations by the Honors College, Admissions Office, Study Abroad and The Center (Co-op/ Internship and Undergraduate Research Opportunities) as well as tours of engineering research facilities will be conducted.

SPARTAN LEGO ROBOTICS

WHO

Students in 4th-7th grade in Fall 2024

WHEN

Commuter. Session 1: June 17-21, 2024, Session 2: June 24-28, 2024, Session 3: July 8-12, 2024

WHAT

Build and test multiple robotics systems, beginning with EV3 and progressing to more advanced engineering robotic systems such as VEX IQ. Work in teams to build custom robots, test your ideas

and learn engineering problem solving skills. Then face off against other teams in robot vs. robot competitions!

MAKING A GAME OF IT

WHO

Both U.S. and International students entering grades 11 and 12 in Fall 2024 as well as recent graduates

WHEN

Residential. July 7-12, 2024

WHAT

Making a Game of it (MGIT) facilitates students' technological growth and provides computer software skills that are directly applicable to STEM related professions. Students participating in this program will:

- Develop Software in Python
- Design a video game
 - Be prepared to enter MSU's Computer Science
