2026–2027 TESTING OUT INFORMATION AND APPLICATION FORM

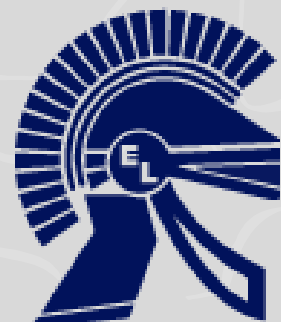

Test out dates will be Tuesday, August 11th and Wednesday, August 17th 2026. Students may take up to two tests per date. The PE test-out requires two sessions.

Testing out sign up must be submitted by Thursday, May 28th 2026. Use [THIS LINK](#) to fill out the form.

Student study materials, as determined by the subject department chair, may be available to be checked out to all students. Know that some classes do not have text books or may supply a list of books you can borrow from your public library. Study materials will be available to pick up from the school by parents/guardians Monday, June 9, 2025 - Wednesday, June 11, 2025 during the hours of 8:00 am-11:00 am.

As a reminder, if your student decides to attempt to test out of a class, they must score a 78% or higher to receive credit for that class. Keep in mind that it's a challenging process. Test-out exams cover an entire year's worth of material. Be prepared to demonstrate a deep understanding of all course content!
