## **November 12, 2021 Newsletter**

**Dear Glencairn Families,**

### **Reminder - Second Covid Vaccine Clinic**

### **Winter Gear Exchange Volunteers Needed**

The kids grow so fast! Our Winter Gear Exchange will be opening up again this winter. It will be outside between the carline and door #3. If your student has outgrown winter coats, snow pants or boots, you may drop them off at the Winter Gear Exchange for another student to have. Please make sure items are gently used and freshly washed. If your student needs new winter gear, anyone is welcome to come take what they need from the exchange!

We are in need of some volunteers to help assist parents with the Exchange. Volunteers will check in at the office and wheel the cart outside off of the main sidewalk between the carline and door #3. They will help assist parents as they drop off items or come to select items, and then wheel the cart back inside. Please use this link to sign up:

### **DEADLINE APPROACHING - Glencairn Family Directory**

The Glencairn PTO is creating a student directory that will be available online and distributed to all families at Glencairn once ready. It is a great way for families to connect outside of school or for you to be able to communicate with the other children in your child's classroom. In order to protect your privacy, the school cannot share your contact info with the PTO. You must fill out the PTO Student Directory Form each year if you would like to be included. Participation is optional. If you choose not to provide your contact information then your child will not be included. This year we are collecting contact information online. **If you would like to be included, please fill out the Google Form by clicking [here](#).** The deadline for your information to be included in the newsletter is the Thanksgiving holiday break.
