Just in time for your Super Bowl Party! **Drive through and pick up a box or two and help support our Girl Scouts.**

#TRENDING

Michigan State University and MacDonald Middle School Present..... **#Trending.** Is there something you want to change in the world? Is there something happening in your school or the world that you want more people to know about? Is there a hot new meme format you want to try? Yes? Then #Trending club is the place for you! Check out the attached flyer. **Sign up is in the main office or via the email address provided on the attached flyer.** Looks like this is going to be a pretty cool experience. **Sign up soon** and come join the fun! Club will meet on Wednesdays and Thursdays starting January 29th.

MMS PHYSICAL EDUCATION DEPARTMENT

Our PE Classes here at MMS are in need of men's athletic shorts. If you have any gently used, men's size M/L/XL/XXL athletic shorts that you can donate, please bring them to the front office or to Mrs. Hagbom, in the gym. We greatly appreciate your help.

SAT PRACTICE TEST IS BACK

There will be another SAT practice test on February 22nd at ELHS. Please see the **attached flyer** for costs and deadline details.

GIRLS BASKETBALL NEWS 😊

The 8th grade Trojan girls' basketball team split 2 games with Waverly last night. Winne J. led the charge to victory with 16 points. Vanessa S. scored 8 and Letcia W. added 6, while Aniyah T. battled her way to 12 rebounds. In late action, the shorthanded Trojans lost a very physical, hard fought decision. Anna P. knocked down 2 three pointers on her way to 10 points. Anika M. added 8 points and Olivia P. 4 points with 6 assists. Ayla B. chipped in 4 points and 11 rebounds. The girls are back in action at rival Okemos on Monday. **Way to go girls!**

Introducing the **SAT Practice Test !**

The SAT exam is coming - are you ready?
The East Lansing Educational Foundation and Sylvan Learning Center
have teamed up to get you ready.

The SAT Practice Test:

half-day seminar and practice
exam that preps you for the SAT.

All ELHS students are required to take the SAT in April of
their junior year. Studies have shown that student scores improve
by taking the SAT multiple times.

The cost is just \$25 – all proceeds go to the ELEF to help fund
East Lansing School District programs.

SAT Practice Exam: Saturday, February 22, 2020

8:15 a.m. – 1:30 p.m. in the ELHS Student Union

Open to all MMS and ELHS Students

Please register early to reserve your spot.

Attendance will be limited to the first 150 students!

Snacks generously provided by Grand Traverse Pie Company.

What to bring – calculator and sharpened pencils - snacks provided

To register, fill out the form below and return along with payment to ELEF,
Attn: SAT Workshop; 501 Burcham Dr, EL 48823. Registrations may also
be dropped off in the MMS or ELHS main office.

Deadline is February 18, 2020.

Please join us for the
MacDonald Middle School Science and Engineering Fair
Thursday, February 27, 2020 from 6-8pm

Registration is due no later than February 10th

Register online at: <https://drive.google.com/open?id=1KPZDOKj-QIJBWR6UThms2qHJgOEGG2J-mP8HIhaZhY>

Open to ALL students in 6-8th grades!

This is a FUN opportunity to do a science project and present it to your family and friends. Students will choose their own projects, complete them at home (parents can help), and create a visual display to share. Students can work alone or with a partner. Please have both partners fill out a registration form online and indicate that they will be working together. The first students to submit their forms will receive a t-shirt. Judges will select a winning Science Experiment and a winning Engineering Project.

TOP PRIZES include Apple AirPods and Apple iTunes gift cards
Enter the competition to win!

Types of projects allowed include:

- **Science Experiments** (e.g., what kind of paper towel is most absorbent?)
- **Engineering Projects** (Identify a problem and propose a method for solving it)

Students will be responsible for doing their project and preparing a display board for this event outside of regular school hours.

Rules for projects:

- Nothing dangerous (if you don't know if it's dangerous, ask your parents or a teacher)
- No live animals
- If your project is messy, you are responsible for cleaning it up

Questions? Email Jennifer Lathom jlathom@gmail.com

Important Information

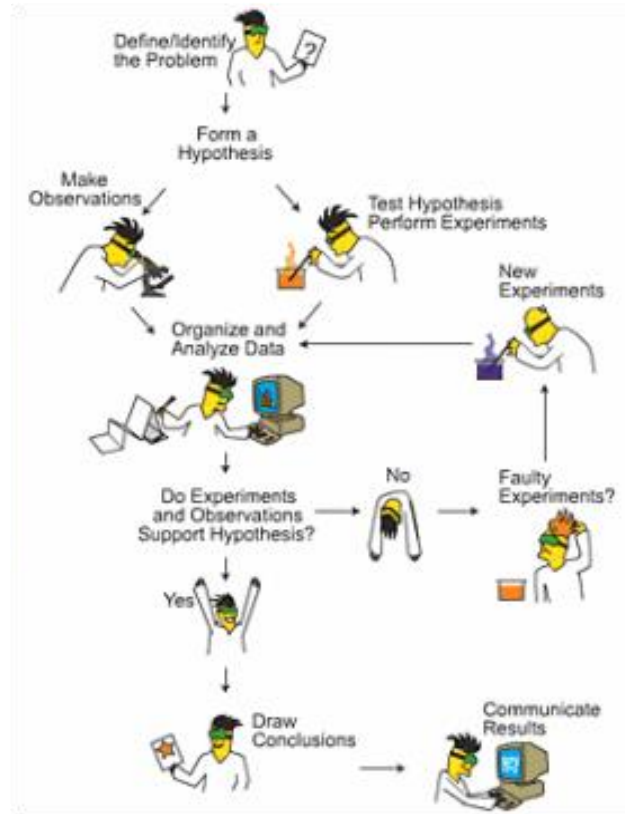

- The Science & Engineering Fair will be held February 27th from 6-8pm in the MMS Cafeteria. Project set-up will begin at 5:30pm.
- Students may only work alone or with ONE partner. Larger group projects will not be judged or eligible for prizes.
- Registration must be completed online by Monday, February 10, 2020.
- Projects will be judged by local scientists and engineers in our community according to the attached rubrics.
- Be sure to be answering a scientific question by doing your experiment or project – not just do a cool demonstration. Experiments and projects often have 2-5 trials!
- Students are not required to give a formal presentation, but they may discuss their projects with the judges or be asked questions during the judging process.

Registration is due no later than Monday, Feb 10, 2020

Consider these steps when preparing your scientific experiment!

Science experiments have multiple trials; it's not just one and done! When you are deciding on an experiment to do make sure it can be tested repeatedly. Please look at the infographic below for more information.

SCIENTIFIC METHOD

PURPOSE

State the problem.

RESEARCH

Find out about the topic.

HYPOTHESIS

Predict the outcome to the problem.

EXPERIMENT

Develop a procedure to test the hypothesis.

ANALYSIS

Record the results of the experiment.

CONCLUSION

Compare the hypothesis to the experiment's conclusion.

Science experiments will have variables!

Types of Variables

Independent

The one thing you change.
Limit to only one in an experiment.

Example:
The liquid used to water each plant.

Independent Variable

Dependent

The change that happens because of the independent variable.

Example:
The height or health of the plant.

Dependent Variable

Controlled

Everything you want to remain constant and unchanging.

Example:
Type of plant used, pot size, amount of liquid, soil type, etc.

Controlled Variables

Engineering Method

Presenting your project or experiment
