Toy and Children's Book Drive for Village Summit Under Way

Students are noting the increase in children's books and toys being gathered in the Collection Center in the cafeteria. Many are enjoying taking a selfie showing their donation and the Collection Center in the background... and then having Mr. Voigt tweet it out on his Twitter account: @rsvoigt

This is the third year we have had a drive for Village Summit Community Center in Lansing. Right now they tell us they could really use new and gently used toys and children's books for the children in their neighborhood... These donations will really help the kids this Holiday Season.

All are welcome to help out by donating new or gently used toys and kids' books. Just bring them in to the collection boxes in the cafeteria. The Drive will take place until Wednesday, December 19.
