Take-Apart Week

From Mr. Voigt's Class:

To make our upcoming Take-Apart Week a success, the 6th grade especially needs your help with the collection of all types of take-apart machines and equipment. These items are important since they serve as the “raw-material” of study and the springboard for the re-creation of new projects. Attached with this newsletter is more information regarding this upcoming week as well as a list of acceptable Take-Apart “stuff”. Please note the list specifies acceptable and unacceptable items.

Open House Presentation

We would like to thank all of the MMS families who attended our Open House. We received quite a bit of positive feedback from the new format. If you were unable to attend the Open House please click below to see Mrs. Martin's presentation.
