

Hi Pinecrest Families,

This is a courtesy email to inform you that Pinecrest Elementary School conducted an internal threat lockdown drill at 10:20 a.m. today. The drill was coordinated with the East Lansing Police School Liaison. This unannounced, state mandated drill is designed to help us practice our response in an emergency situation. Our staff and students performed the drill quickly and safely. While it is unfortunate that schools have a need to prepare for this type of threat, it is our goal as a school community to ensure that your children remain as safe as possible under any circumstances. We appreciate your understanding, and should you have any questions please contact the school.

Sincerely,

Amy Webster
