- VI. Agenda Topics
 - a. Summer Technology Projects
 - i. Rollover power schools. Master scheduling. A lot of validations that need to take place. Software updates. 27 servers. 8 are physical- rest are virtual.
 - ii. Auditorium lighting. MMS first then to the HS. Electrician said they could be in and out in 3 weeks for both schools.
 - iii. Collecting senior desktops- get back around 300-320. Will save some for spares and sell off the rest.
 - iv. Website update- rolling over to new template. Its mobile friendly. Deleting old links, compiling information.
 - b. Cyber Security Updates
 - i. Christian is working on a cyber incident response plan. (Still in progress).
 1. Plan will be done this summer. (In the document- we do all the things we just don't have it documented).
 - c. Security Updates
 - i. Lockdown button- only lockdown exterior doors @HS and MMS.
 - ii. Lockdown button at elementary locks exterior doors, and magnet doors in the building.
 - iii. Bright Arrow- texting- communication emails. Pre-program
