Items for Discussion:

Curriculum Office Updates: Still working on Alg 1 curriculum, reviewed seven different potential curricula, picked 2- heard from vendors. Ruled one out. Saavis Learning- has a great online platform and print material. We are going to start the pilot in April - mid-May. The committee will likely give a presentation to the A&T committee after the pilot and full board in June.

No other curricula review.

Technology Updates:

Looking to fill the auditorium manager position (full-time).

(posted position) Library para-pro.

Christian and Glenn meeting next week to discuss e-sports (possibly 2 folks who will work with e-sports).

Cyber security- tiered push out for campus computers. Protect district assets.

Kali is going to come to the next meeting to discuss AI.
