 - General thoughts of the committee
 - I would like to open up the meeting for a transparent conversation about how the committee went this year. We list some folks along the way due to committee needs being greater than what folks could commit too. We ended up a focused, tight knit group. I want to recognize that this was very different from last year but stress that this is the springboard for our momentum moving forward as we continue to invest in mental health as a district.
 - Goal: Grow membership, deepen time/focus on investment
 - What projects would you like to see next year?
 - Membership
 - Full membership (come to meetings)
 - honorary/legacy (can't come to meetings, long term involvement in past)
 - Event by event basis (what does this look like-honored/recognized?)
 - **Next Year:**
 - Please plan on hearing from Fin in August 2024
